2. Measures taken to complete the syllabus of courses and programs.		Government College (A), Rajahmundry has the habit of going an extra mile in service related activities and staying true to its vision of creating professionals of integrity and character for nation building by student participation in all the service activities and thereby justifies its "Student First " Motto. But with the sudden outbreak of the COVID-19 virus in the country as well as in the state and with the imposition of nationwide Lock down the college activities came to a sudden halt. But true to its Vision and Mission, the college never took a step back and searched for opportunities to be in touch with the students and serve its stakeholders. During lockdown period the College has designed its own way to promote the academics, health and hygiene among the students. The College also designed its own software application named GCRJY Bharat Padhe for conducting online classes. All the faculty were trained in using online platforms to deliver e-classes and also by using existing G-Suite facility. Further, a tracking mechanism is developed to monitor the online classes conducted by the faculty. Students were also sensitized to attend the online classes and the attendance was considerably high. However, to help the lagging behind students and also to the absentees, the recorded lessons were shared among them through social media such as whatsapp groups. In this way nearly 40,000 online classes conducted till date. When the situation has got some ease, 50 percent of the students from each stream in each program were permitted to attend the college to get the doubts clarified. Further, a week day is allocated for I, II and III year students to attend the college for clearing the doubts. During their visit to the college, the entire campus is fumigated and COVID protocols are strictly adhered such as thermal screening, face masks and sanitization. Sanitizer was prepared in-house and supplied to all the departments. This is followed by the conduction of internal assessment of students in phased manner. Further, as per the guidelines of UGC the semester end examination question paper has been restructured and the examination duration has been reduced from 3 hours to 2 1/2 hours. During examination only half of the capacity of the examination hall is permitted and after each examination the exam hall is fumigated. After completion of the examinations, valuation is also got done immediately and the results were announced in stipulated time as mentioned in the academic calendar of the college. Further, various awareness programs were conducted for public to take care about COVID 19 pandemic. Therefore, the COVID-19 crisis could not halt the determination of the college in performing the academic responsibilities and community service activities.
