TOURISM, Culture, and Cinematography Minister Kandula Durgesh stated that the life of 'Andhra Kesari' Tanguturi Prakasam Pantulu is a source of inspiration for everyone and today's political leaders should follow in his footsteps.

He spoke at the Tanguturi Memorial Awards function which was held at the Ambedkar seminar hall on Friday and organised by the Government Degree College Alumni Association.

Minister Durgesh said that even while pursuing an active career as a lawyer and subsequently serving as the Chief Minister, Tanguturi led a simple life and faced numerous hardships in his later years.

He described Tanguturi's life as one of sacrifice and urged students to read and learn from the lives of great personalities like

He noted the significant efforts of the association leaders like its president Mulla Madhav

and secretary Gadde Sudhakar to prevent the encroachment of the college grounds during the previous government's tenure. He also mentioned that a tourism group was added to the college and promised job place-

ments for students.

Awards were presented to students who completed their degrees at the Government Arts College and achieved ranks between 1 and 100 in the PG CET. Dr RK Ramachandra Rao, the college principal, hailed the Alumni Association's role in protecting the college and its continuous efforts for the benefit of students.

Vice-Principal Sriramamurthy congratulated the rankers. Alumni Association president Moolla Madhav noted that 47 acres of land were allocated to the Arts College during Tanguturi Prakasam Pantulu's tenure. He described Durgesh, who advanced politically through his hard work, as a role model for students. Other alumni, vice-president SSR Bhargav, treasurer S Vijayalakshmi, A Sathya Shivkumar, Keshamshetti Vara Prasad and others participated.

THE life of Tanguturi Prakasam Pantulu should be a role model for today's leaders, emphasised Tourism and Cinematography Minister Kandula Durgesh. Despite being a chief minister, Tanguturi lived a simple life marked by sacrifice, said the minister.

Speaking at the Tanguturi Awards ceremony organised by the Alumni Association of Government College (Autonomous), Minister Durgesh announced that the college would be offering Tourism as a major course and assured to

provide substantial job opportunities in the domain during his tenure.

The awards ceremony was held on Friday to commend the students who excelled in the AP PG CET and achieved ranks between 1 to 100. The event was named after Andhra Kesari Tanguturi Prakasam Pantulu, first chief minister of Andhra State.

College principal Dr Ramachandra RK said that the alumni association, under the leadership of Mulla Madhav, has been a constant protector and supporter of the institution, playing a key role in college's growth.

THE state government has responded positively to the efforts of the Alumni Association regarding spot admissions for postgraduate (PG) courses. The Department of Higher Education issued a directive on Monday, ap-

proving the opportunity for government colleges to conduct spot admissions, similar to the private colleges, without the need for PGCET scores.

The Alumni Association's plea for this flexibility was met favourably by the government. The association said that for the past three months, Tourism, Culture and Cinematography Minister Kandula Durgesh had

multiple discussions with Education Minister Nara Lokesh to secure this facility.

The Alumni Association of Arts College expressed gratitude for the ministers' efforts, which eventually led to a favourable outcome.

President Mulla Madhav, Secretary Gadde Sudhakar, and Vice-President SSR Bhargav acknowledged the relentless efforts of Tourism Minister Durgesh in faci-

tating this process and credited his multiple meetings with Nara Lokesh for making it a reality.

The Alumni Association also expressed its gratitude to ministers Nara Lokesh, Kandula Durgesh, MP Dagubati Purandeswari, BJP National Executive Member Somu Veeraj, and others for their support and cooperation in achieving their demand.

Onus on youth to shape nation's future: Vundavalli

FORMER MP Vundavalli Aruna Kumar participated in a guest lecture on 'Investment-Oriented Economy and Socialism' organised by the Alumni Association of Government Autonomous College (Arts College) on Wednesday in Room No 21 of the Arts Block.

Speaking on the occasion, Aruna emphasised that the future of the nation lies in the hands of the youth and urged students to not only focus on academics but also cultivate awareness about national issues. He stressed the need for students to analyse and understand the country's policies.

He explained the importance of understanding the socio-economic con-

ditions of the country and critically evaluating policies for national progress. He recalled that former Prime Minister Jawaharlal Nehru advocated for a mixed economy, promoting coexistence between public and private sectors, and highlighted the need for government incentives to strengthen the public sector.

With India's population surpassing 1.4 billion, he said that 40% of the nation's wealth is held by just 1% of the population. Citing an Oxfam report, he stated that only 8% of Indians have access to higher education.

He said that India accounts for only 2.4% of the world's land and 4% of its water resources, while housing 17.7% of the global population. He mentioned that 11% of the

world's gold reserves are in India, reflecting a cultural belief in gold as a financial safety net. Referencing Dr BR Ambedkar, he stressed the importance of equal rights, equal pay for equal work, and the need for a minimum wage.

College Principal Dr RK Ramachandra honored him, noting the benefits of lectures from experienced individuals. Alumni Association President Mulla Madhav introduced Aruna Kumar as a scholar known for his high moral values in politics and contributions as a translator and advisor to political leaders.

Several dignitaries, including Alumni Vice-President SSR Bhargav, General Secretary Gadde Sudhakar, Treasurer S Vijayalakshmi, lecturer Babji, contract lecturer Shiva, lecturer Shivaji and others were present.

Vote for merit, not for money: Former MP

@ Rajamahendravaram

FORMER MP Undavalli Arun Kumar urged students to uphold principles and vote for candidates based on character, morality, and pro-poor policies rather than monetary influence.

Addressing a seminar on Socialism and Capitalism at Government Autonomous College on Wednesday, he highlighted the growing role of money in Indian elections. He said extravagant displays of wealth, including cash handouts, alcohol distribution, and large rallies, have become increasingly

common. He noted that government institutions and the public sector were strong during the mixed economy era before 1991, but privatisation has since expanded across sectors,

reducing government control.

He criticised the lack of intra-party democracy, stating that policy decisions are often made by a small group of elites who control the distribution of

party tickets, also sells them.

Highlighting economic disparity, Arunkumar pointed out that the top 1% of India's population commands 22.6% of income and 40.1% of wealth, significantly widening the rich-poor gap over the past 25 years. He praised BR Ambedkar's role as the Constitution's drafting committee chairman, ensuring adult franchise after independence.

College Alumni Association President Mulla Madhav and College Principal Dr RK Ramachandra felicitated Arun Kumar, recognising his contributions to parliamentary debates.
