

**SEMESTER WISE FEEDBACK FROM STUDENT, TEACHERS, EMPLOYERS,
ALUMNI AND PARENTS
Action Taken Report on Feedback of 2012-'13:**

A Staff Council meeting has been convened by IQAC with all the in charges of the Departments under the Chairmanship of the Principal to bring the feedback analysis to their notice with instructions to find out the possibility for affecting changes in the courses offered by their respective departments in the succeeding year.

The in charges of the departments in turn have conducted series of department level meetings and explored the possibility of implementing the demands of the stake holders. Subsequently, the Departments have come up with a number of proposals.

In a separate meeting held by IQAC with the Principal and the members of the Departments concerned, the following modifications proposed by various departments have been approved. Following an in-depth discussion with the members of the Board of Studies the modifications have been given final approval and then placed before the Academic Council and Governing Body for ratification. The following modifications are affected in the academic year 2012-13.

- The Departments of Botany, Zoology, Physics, History, geology have conducted field trips.
- The Department of Hindi has conducted a National Seminar
- Awareness programs on Women Empowerment and Gender Equality have been conducted by Women Empowerment Cell.
- Every Department is given instructions to celebrate important international days to create awareness among the students
- Revision of syllabus in all core courses including languages has been affected approximately between 20% – 30%.
