

Action Taken Report on Feedback of 2013 - 2014

A Staff Council meeting has been convened by IQAC with all the in charges of the Departments under the Chairmanship of the Principal to bring the above feedback analysis to their notice with a request to find out the possibility for affecting changes in the courses offered by their respective departments.

The in charges of the departments in turn have conducted a meeting in their departments and explored the possibility of changes in the syllabi in accordance with the demands of the stake holders. Subsequently, the Departments have come up with a number of changes in the existing syllabi of their courses.

In a separate meeting held by IQAC with the Principal and the members of the specific Department

Relevant modifications proposed by various departments have been ratified. Following an in-depth discussion with the members of the Board of Studies the following modifications have been given final approval. Modifications in the Syllabi during 2013-2014

Sl. No.	Action Taken	Department
1.	The program with Geology, Geography and Chemistry (GGC) was found uneconomic and wound up at the request of the stake holders.	Institution
2.	Seats in the program Maths, Physics and Computer Science have been enhanced by 15 seats from 30 to 45.	Mathematics
