

The Department of Physics & Electronics
GC (A), Rajahmundry
A brief Report on
Vikram Sarabhai- Father of Indian Space program
BIRTHDAY CELEBRATIONS
Garlanding and Speeches
Conducted on 12TH Aug 2024

Date : 12TH Aug 2024

Name of the Event : Celebrations of Vikram Sarabhai Birthday

Topic : Life history of Vikram Sarabhai

Name of the organizers : Staff of Physics

No of participants : 35

Objective : 1. To symbolize respect, admiration, and appreciation for his work and achievements in the field of space science.
2.To honor his legacy by continuing to explore the wonders of science and discovery.

Procedure : A circular/whatsApp message was sent to pg and ug students to attend the garlanding function and speeches about Vikram Sarabhai life history and achievements. The announcement was also done through a public addressing system

Summary of the event : On the occasion of Vikram Sarabhai's birthday, the Department of Physics organized a commemorative event that brought together 35 students and staff members. The celebration began with a heartwarming grounding ceremony, where participants reflected on the immense contributions of Dr. Sarabhai, the father of the Indian space program. Following this, the Head of the Department delivered an inspirational talk, emphasizing Dr. Sarabhai's visionary leadership and his enduring legacy in advancing India's space exploration. The HOD's words resonated with the attendees, encouraging the students to

pursue their scientific aspirations with the same passion and dedication that Dr. Sarabhai exemplified. The event concluded with a renewed sense of commitment to uphold the values and spirit of scientific inquiry that Vikram Sarabhai championed throughout his life.
