Summery :

On 20th September 2024, the Department of Physics and Electronics held a parent-teacher meeting at Mana TV, attended by the parents of 32 first-year students. The meeting began with an address by HOD Smt. CH Komala Lakshmi, who introduced the department's major systems and all facilities available in the department as well as college college. Dr. Sanjeev then emphasized the importance of time management for students and

discussed potential career paths in physics. Sri Ramu provided a brief overview of internship opportunities and guided students on how to utilize their leisure time and college resources for competitive exam preparation.

Dr. Esub Basha Sheik explained the extracurricular opportunities available through the NSS, NCC, and Red Ribbon Club, while Sri Sudhakhar sir explored research possibilities for students pursuing physics. All faculty members interacted with the parents, addressing their queries, and shared their contact details for future communication. The meeting concluded with refreshments and feedback from some parents.
