

The Department of Physics & Electronics
GC (A), Rajahmundry
A brief Report on
Commemorate Sir C.V. Raman's Scientific Legacy:-
Garlanding , Extensive Lectures and Prize
distribution Conducted on 7TH Nov 2024

Date	: 7 TH Nov 2024
Name of the Event	: Garlanding and Extensive Lecture
Topic	: The inspiring Journey and Life History of Sir CV Raman
Name of the Resource Person	: Dr. H. Sudhakhara Rao and Dr. B Gowri Naidu, Physics Faculty
No of participants	: 58
Objective	: 1.Garlanding his statue or portrait as a mark of Respect. 2.Organizing a speech highlighting his life, achievements, and contributions to the field of physics.
Procedure	: A circular/whatsApp message was sent to all pg students to attend the garlanding function and an extensive lecture on the Life history of Sir CV Raman. The announcement was also done through a public addressing system
Summary of the event	:

The Department of Physics and Electronics commemorated the 136th birth anniversary of the renowned Indian physicist, Sir Chandrasekhara Venkata Raman, on November 7, 2024. The event was graced by the presence of 58 students and staff members.

Morning Session: A Tribute to the Visionary

The day began with a solemn ceremony at the CV Raman statue, where the Principal garlanded

the statue and addressed the gathering. The Principal's speech highlighted the significant contributions of Sir CV Raman to the field of physics and inspired the attendees to follow in his footsteps.

Faculty members from various departments delivered insightful speeches, shedding light on different aspects of Sir CV Raman's life and work. Students paid their respects by offering floral tributes to the statue.

Afternoon Session: A Deep Dive into Raman's Legacy

The afternoon session was held in the Mana TV room, where a series of engaging talks were organized.

- **Inspiring Journey:** Sri H Sudhakar, Lecturer in physics, presented a detailed account of Sir CV Raman's life history, highlighting his early life, education, and groundbreaking discoveries.
- **Life History of CV Raman:** Dr. B Gowri Naidu delivered a captivating speech on the inspiring journey of Sir CV Raman, emphasizing his relentless pursuit of knowledge and his unwavering dedication to scientific research.

Prize Distribution Ceremony

The event concluded with a prize distribution ceremony to recognize the achievements of students who participated in the Quiz on Basic Physics and the Basic Experimental Skill Test. Certificate folders were awarded to the quiz winners, while CSIR & NET preparation books were presented to the top performers in the experimental skill test.

The program concluded with the singing of the national anthem, Janaganamana.

The celebration of Sir CV Raman's birth anniversary was a resounding success, inspiring students and faculty to embrace scientific inquiry and contribute to the advancement of knowledge.
