On the occasion of Independence Day, the Department of Economics organized Essay Writing and Elocution Competitions on 13th August 2025 at 2:00 PM in Room No. 16. The programme was **chaired by Dr. R. Balayya**, In-charge of the Department of Economics. All the faculty members of the department actively participated and contributed to the successful conduct of the events.

The events were conducted to encourage students to express their knowledge, analytical skills, and patriotic spirit through themes focused on India's economic growth and development.

**ESSAY WRITING COMPETITION THEME:** "Atmanirbhar Bharat: Harnessing Science and Technology for Economic Development"

A total of **20 students** participated enthusiastically.

The entries were evaluated by a panel of judges:

- **SK. Jareen Begum**, Lecturer in Telugu
- **Dr. B. Harinath Reddy**, Lecturer in Physics
- **K. Ananda Rao**, Lecturer in Economics

### Prize Winners & Their Views:

- **First Prize:** *Munukoti Kumar*, III B.A Economics (Honours)
  - He highlighted the importance of self-reliance in emerging technologies such as AI, renewable energy and digital innovation, which can lead India toward global leadership.
- **Second Prize:** *M. Thosha*, III B.A Political Science (Honours)
  - She emphasized that regional industrial growth, skill development and start-up encouragement are crucial pillars of Atmanirbhar Bharat.

- **Third Prize:** *P. Vaishali*, II B.Com Computers
  - She stressed the role of digital economy expansion and women-led entrepreneurship for inclusive national development.

## ELOCUTION COMPETITION

**Topic:** “*India's Journey Towards a \$5 Trillion Economy: Challenges and Opportunities*”

A total of **9 students** participated with great enthusiasm.

Judges for the competition:

- **SK. Jareen Begum**, Lecturer in Telugu
- **Dr. B. Harinath Reddy**, Lecturer in Physics
- **K. Ananda Rao**, Lecturer in Economics

### **Prize Winners & Their Views:**

- **First Prize:** *M. Thosha*, III B.A Political Science (Honours)
  - She spoke passionately about the need for strong governance reforms, increased exports, and global competitiveness to achieve the \$5 trillion economic milestone.
- **Second Prize:** *P. Sai Aparna*, III B.A Economics (Honours)
  - She pointed out challenges such as unemployment and global market instability, but expressed confidence that India’s youth and innovation ecosystem would accelerate growth.
- **Third Prize:** *S. Shiva Kumar*, III B.Sc Botany
  - He focused on sustainable development, agricultural modernization, and environmental protection as key enablers for long-term economic growth.

## **Conclusion**

The programme successfully promoted competitive spirit, confidence, and critical thinking among students. The views shared by the winners reflected deep understanding of national priorities and future aspirations. The Department thanked the judges, participants, and faculty members for their cooperation in making the event a grand success.
