Birth Anniversary celebrations of Dr. APJ ABDUL  
KALAM  
Conducted on 15<sup>TH</sup> OCT 2025**

\*\*\*\*\*

**Date** : 15-10-2025

**Name of the Event** : Extra-curricular Activity – Birth Anniversary  
Celebrations

**Topic** : Garlanding and speeches about Dr. APJ Abdul Kalam  
(Scientist & Former President of India)

**Name of the Resource Person** : 1. Dr. Ramchandra R.K, Principal, GC(A), Rajahmundry.  
2. Smt.Ch. Konala Lakshmi, HOD, Physics,GC(A),  
Rajahmundry

**No of participants** : 39

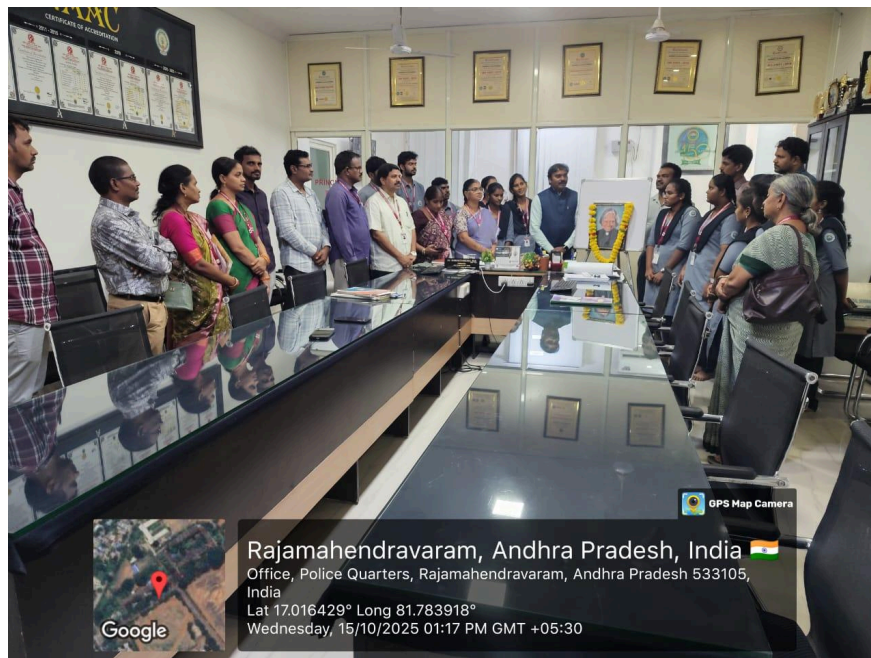

**Objective** : **\*Inspiring Future Generations:** Celebrating APJ Abdul Kalam's birthday can inspire college students to pursue their dreams and strive for excellence. Kalam's life story serves as a powerful example of hard work, dedication, and the pursuit of knowledge.

**\* Promoting Scientific Temper:** As a renowned scientist and visionary, Kalam's legacy can be used to promote a scientific temper among college students. By celebrating his birthday, colleges can encourage students to embrace scientific inquiry, critical thinking, and innovation.

**Procedure** : As per the schedule date, a circular is sent to staff and students to participate in the event at the statue, it is also

requested to express/share their feelings, qualities and contributions done by Dr APJ Abdul Kalam

**Summary of the event** : On October 15th, the college principal Dr Ramachandra RK and HOD Smt. Ch Komala Lakshmi, along with senior lecturer Sri V Srinivas Rao, garlanded the statue of APJ Abdul Kalam on his birthday. All other staff and students also joined in the floral tributes. The Department of Physics, Government College (Autonomous), Rajahmundry, organized the birth anniversary celebrations of Bharat Ratna and People's President Dr. A.P.J. Abdul Kalam in a grand manner. College Principal Dr. Ramachandra R.K. attended as the chief guest and addressed the students. He said, "Dr. Kalam was a symbol of knowledge and inspiration for the youth of our nation. His life and vision motivate every student to strive hard for the progress of the country." Head of the Department of Physics, Dr. C.H. Komala Lakshmi, spoke on the occasion and said, "Dr. Kalam's journey in science and his dedication towards innovation should inspire every student. His principles serve as a guiding light for today's generation. This event was a wonderful opportunity for the college community to celebrate the life and legacy of APJ Abdul Kalam. Kalam was a great scientist, leader, and inspiration to millions of people around the world. His legacy continues to inspire us to strive for excellence in all that we do
