

**The Department of Physics & Electronics GC (A),  
Rajahmundry**  
A brief Report on  
**"National Energy Conservation Week Celebrations -Elocution  
Competition"**  
Conducted on 15<sup>th</sup> Dec 2025

\*\*\*\*\*

**Date** : 15<sup>th</sup> Dec 2025

**Name of the Event** : Elocution Competition

**Topic** : **Energy Conservation for future generation**

**No of participants** : 14

**Objective** : 1. To create awareness about saving electricity and fuel  
2.To impart skill of presentation before experts

**Procedure** : A circular/whats app message was sent one day before the program to all PG and ug students to come to the e-class room and participate on the day of competition.

**Summary of the event** :  
All the staff members of the Physics & Electronics department actively participated in conducting competitions to the students in Elocution competitions on the account of National energy conservation week 2025. 14 students from various Science and Arts departments participated in elocution on topic: **Energy Conservation for future generation**

The winner list is as follows. In recognition of the students's outstanding work, prizes were distributed to the selected students

Winners: **Elocution**

I place : Betha Praveen II MSc Physics  
II Place: P S K Tirupati reddy I BSc Physics(H)  
III Place: P Gowri Sankhar Dora III BSc Physics(H)

**Feedback and Outcomes:**

The elocution competition on the theme “Energy Conservation for Future Generation” organized on the occasion of Energy Conservation Week 2025 received an enthusiastic response from students. Participants expressed that the competition provided them with a valuable platform to enhance their public speaking skills while deepening their understanding of the importance of conserving energy for sustainable development.

● **Outcomes:**

- Enhanced awareness among students about the significance of energy conservation and its role in ensuring a sustainable future.
- Improved communication and public speaking skills of the participants through structured elocution practice.
- Encouraged students to adopt energy-saving habits in their daily lives.

The event provided a valuable learning experience and encouraged students to think creatively about energy savings
