Dear Sriram Pavan Garu,

As discussed, due to a prior meeting commitment, I was unable to visit Rajahmundry College as requested.

I am now planning to visit on **March 12, 2025** for the orientation. Please confirm if this date works for conducting the session.

Attached is the **Candidates' Detail Template**. For **2nd-year students**, I require their details to align them for a **one-year OJT**. Kindly review beforehand. However, I will personally orient the students and faculty during my visit.

Additionally, I have spoken to **Sabarish Garu** to clear the **pending RASCI service fees** on priority.

For **final-year students**, I plan to conduct an **Open House session** on the same day. Please ensure that **students from all three years** can address their queries effectively.

Looking forward to your confirmation.
