

AWARENESS PROGRAM ON NPTEL COURSES

06-01-2026

**DEPARTMENT OF COMPUTER SCIENCE
GOVERNMENT COLLEGE(A) RAJAHMUNDRY**

Awareness Program on NPTEL Courses

Department of Computer Science

Government College(A) Rajahmundry

Organized by: Department of Computer Science, Government College (Autonomous)

Rajahmundry In Association with: Academic Cell

Duration: 06-01-2026

Participants: Faculty Members

Venue: Ambedkar Seminar Hall, Technosphere Lab

No. of Participants: 30

Objectives

1. To create awareness among faculty about NPTEL courses and their benefits.
2. To encourage faculty to take up mentorship roles in guiding students.
3. To promote the use of digital learning resources in teaching and research.

Outcomes

1. Faculty members gained awareness about various courses offered through NPTEL.
2. Faculty understood their role as mentors in supporting student learning through online platforms.
3. Increased interest among faculty to enroll in certification courses and guide students.

Brief Report

The Department of Computer Science, in association with the Academic Cell, organized an awareness program on NPTEL courses on 06-01-2026 for faculty members. The objective of the program was to create awareness among faculty about online certification courses and their role in enhancing teaching, research, and professional development.

The resource person Dr. D. Suneel Kumar provided detailed insights into NPTEL courses. He explained the registration process, course structure, certification procedures, and the benefits

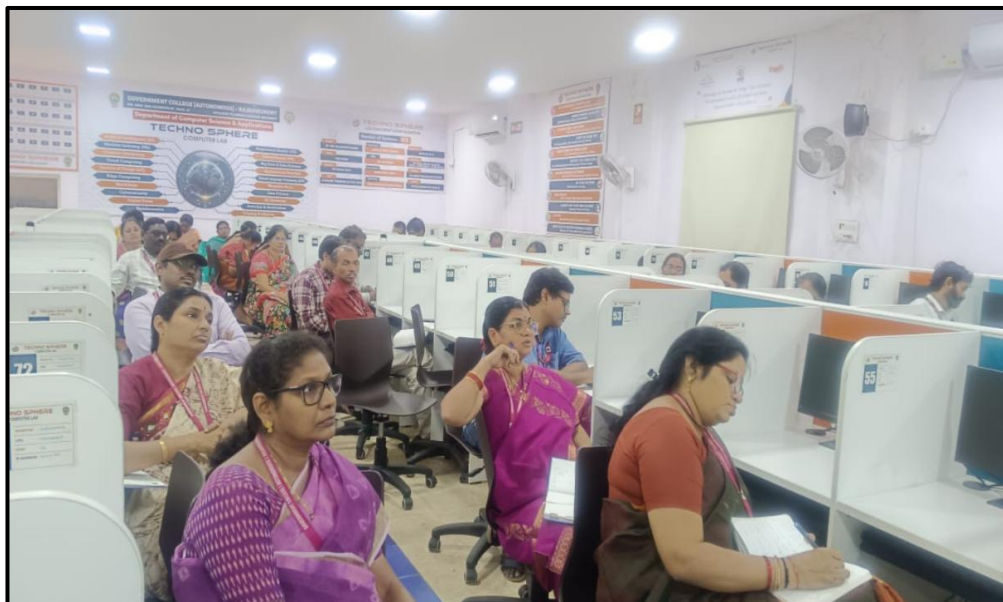

of faculty participation. He also elaborated on the concept of mentorship, highlighting the role of faculty as mentors in guiding students to enroll in suitable courses, monitor their progress, and support them in successfully completing the certifications.

Faculty members actively participated in the session and showed interest in enrolling in various courses offered through NPTEL. The session was interactive, with discussions on mentorship, course selection, and the integration of NPTEL resources into teaching practices. A total 30 students participated in this event.

Resource Person Explaining about NPTEL Course Registration

Feedback

The awareness program received positive feedback from the faculty members. Participants found the session informative and useful, especially the discussion on mentorship and its importance in student success. The program motivated faculty to actively participate in NPTEL courses and guide students effectively. Overall, the session was well-organized and beneficial.
