

Report on ICET Awareness & Registration Assistance Program

Date: 02-03-2026

Venue: Room No:27

Time: 11AM to 12.30 PM

No of Students: 108

Resource Person: Dr B. Prathima, Associate Professor,
Dept of Commerce & Management

Target Group: III B.Com (CA) students

An Awareness Program on the Integrated Common Entrance Test (ICET) was conducted by Dr B Prathima to guide students aspiring for higher education in professional courses such as **MBA and MCA**. The session aimed to provide complete information regarding the purpose of the examination, career opportunities, university selection, and application process.

Topics Discussed

1. Purpose of ICET Examination

Andhra Pradesh Integrated Common Entrance Test (AP ICET) is a state-level entrance examination conducted for admission into:

- Master of Business Administration (MBA)
- Master of Computer Applications (MCA)
- Other allied professional postgraduate programs

The importance of ICET as a gateway to professional education in management and computer applications was clearly explained.

2. Career Opportunities after MBA & MCA

Students were briefed about diverse career prospects such as:

- Management roles (HR, Finance, Marketing, Operations)
- IT and Software Development careers
- Business Analytics and Data Management
- Entrepreneurship opportunities
- Government and Corporate sector jobs

The session emphasized how professional postgraduate degrees enhance employability and leadership skills.

3. Advantages of Studying in a University

The following benefits were discussed:

- Better infrastructure and learning environment
- Exposure to experienced faculty
- Industry collaborations and internships
- Campus placement opportunities
- Networking and professional development

Students were guided on how university education contributes to long-term career growth.

4. Choosing the Best University

Guidelines were provided to help students select the right institution based on:

- Location and proximity to industrial hubs
- Placement records
- Accreditation and ranking
- Faculty expertise
- Infrastructure and facilities
- Alumni success

Special emphasis was given to selecting universities located in cities with strong job markets to improve employment prospects.

5. How to Fill the ICET Application Form

A step-by-step explanation of the ICET registration process was provided, including:

- Online registration procedure
- Payment of application fee
- Uploading required documents
- Final submission and printout

Students were guided carefully to avoid common mistakes during form submission.

6. Necessary Requirements for Application

Students were informed about the required documents and specifications, including:

- Recent passport-size photograph (specified format and size)
- Signature (scanned in prescribed dimensions)
- Educational certificates
- Valid ID proof
- Caste/Category certificates (if applicable)

The importance of following the correct file format (JPG/JPEG/PDF) and prescribed file size limits was explained.

7. Digital Support through Teachmint Application

To ensure continuous support and easy access to information:

Teachmint classroom was created for students.

The following documents were shared through the app:

- AP ICET 2026 Instructions Booklet
- ICET Syllabus and Exam Pattern
- ICET Registration Guide

This digital classroom enabled students to download, revisit, and clarify doubts even after the session.

8. Outcome of the Program

- Students gained clear understanding of the ICET examination.
- Awareness regarding career opportunities in MBA and MCA increased.
- Students learned how to select suitable universities strategically.
- Participants became confident in completing the online application process independently.
- Digital resource sharing improved accessibility and preparedness.

Conclusion

The ICET Awareness Program was highly informative and beneficial for aspiring postgraduate students. The session successfully clarified doubts regarding eligibility, application procedure, career scope, and university selection. The integration of digital tools such as Teachmint further enhanced student engagement and resource accessibility.
