

**The Department of Physics & Electronics GC (A),
Rajahmundry**
A brief Report on
"National Women's Day Celebrations"
Conducted on 8th March 2026

Date : 8th March 2026

Name of the Event : National Women's Day Celebrations

Topic : Felicitation to the women faculty of the department

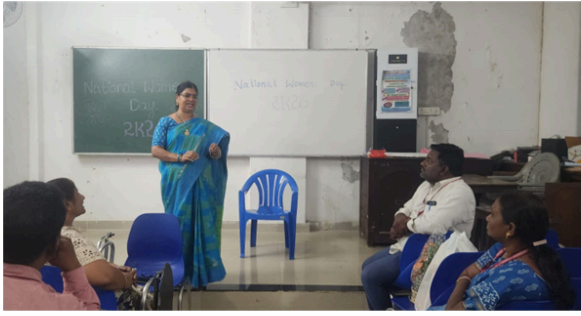

No of participants : 20

Objective : 1. To celebrate women's achievements globally.
2.To accelerate the push for gender equality.

Procedure : A formal invitation to all women teaching and nonteaching staff on previous day and also through WhatsApp message

Summary of the event :
The Department of Physics at Government College (Autonomous), Rajahmundry, held a special celebration for National Women's Day on 08/03/2026. In a significant display of collegiality and respect, the men staff of the department organized the event to honor the contributions of their female colleagues.

The celebration highlighted the institution's vibrant academic culture and its commitment to fostering an inclusive environment where all members are empowered. By celebrating Women's Day, the Physics department continues to uphold the values of mutual respect and excellence that define the Government College (A), Rajahmundry community.
