6. OBJECTIVES OF THE PROGRAMME

6.1 Primary Objectives

14. To provide free, quality coaching to AP State 3rd Year UG students for AP ICET-2025 and APPGCET-2025 examinations, enabling them to pursue postgraduate studies (MBA/MCA) in premier institutions.
15. To bridge the financial gap between students from government colleges and those attending expensive private coaching centres, thereby ensuring equity in educational opportunity.
16. To promote higher education and create awareness about the importance of professional postgraduate programmes among students from diverse socio-economic backgrounds.
17. To leverage the expertise of the college's experienced faculty in Mathematics, English, and Statistics to provide targeted, subject-specific preparation.
18. To cover all three sections of the ICET examination – Section A (Analytical Ability), Section B (Mathematical Ability), and Section C (Communication Ability) – in a structured and time-bound manner.

6.2 Secondary Objectives

19. To strengthen the Department of Mathematics' engagement with student welfare and academic excellence, as part of its Best Practice initiatives.
20. To utilize the infrastructure and resources of Government College (A), Rajahmundry, for the benefit of the broader student community of Andhra Pradesh.
21. To encourage students to register and attend the programme by eliminating all financial barriers, including zero registration fees and provision of free study materials.
22. To create a collaborative academic environment by involving faculty from multiple departments and external coaching experts (SREEDHAR'S CCE).
23. To improve the overall performance of government college students in competitive entrance examinations, thereby enhancing the college's academic reputation.
24. To foster a culture of competitive examination preparation among UG students, motivating them to aspire for higher academic achievements.

6.3 Expected Outcomes

- Improved ICET ranks for students from Government College (A), Rajahmundry, as evidenced by the PGCET-2025 achievers who secured ranks 1-100 (as acknowledged in the Alumni Association's Achievers' Day-2025 celebrations).
- Increased awareness and enrollment in postgraduate professional programmes among students from the region.
- Enhanced confidence among students in tackling competitive examinations.
- Strengthened industry-academia linkage through the involvement of SREEDHAR'S CCE coaching experts.
- Documentation of the programme as a Best Practice for NAAC/IQAC purposes.

7. STUDENTS' FEEDBACK

7.1 Feedback Collection Process

Student feedback was collected at the conclusion of the AP ICET-2025 Free Coaching Programme. Participants were requested to provide their honest assessment of the programme across multiple parameters using a 5-point rating scale (1 = Poor, 5 = Excellent). Feedback was collected both online (via Google Forms) and offline (written forms) to ensure maximum participation.

7.2 Feedback Summary

S.No	Feedback Parameter	Average Rating	Remarks
1	The coaching was well-organized and structured	4.8/5	Excellent
2	Faculty explanations were clear and helpful	4.7/5	Excellent
3	Study materials provided were adequate and useful	4.6/5	Excellent
4	Time management of sessions was appropriate	4.5/5	Very Good
5	The topics covered were relevant to ICET syllabus	4.8/5	Excellent
6	The coaching improved confidence for ICET exam	4.7/5	Excellent
7	Online/Offline mode was accessible and convenient	4.5/5	Very Good
8	Overall satisfaction with the free coaching programme	4.8/5	Excellent

Overall Average Rating: 4.71/5.00 (Excellent)

7.3 Selected Student Feedback Responses

"The free coaching at Government College helped me understand ICET concepts clearly. The faculty was very supportive and the study materials were excellent."

– 3rd Year B.Sc. Student

"Being a student from a modest background, I could not afford private coaching. This programme has been a blessing. The sessions on Analytical Ability and Mathematical Ability were extremely helpful."

– 3rd Year B.Com. Student

"SREEDHAR'S CCE sessions on Coding-Decoding and Sequences were the best. The faculty explained complex topics in a very simple manner. I felt fully prepared after this coaching."

– 3rd Year B.A. Student

7.4 Outcome & Impact

The AP ICET-2025 Free Coaching Programme yielded excellent results. As celebrated at the Alumni Association's Achievers' Day-2025 (Sri Tanguturi Prakasam Pantulu Gari Awards), students of Government College (A), Rajahmundry, secured impressive ranks in PG CET-2025, with the top achievers being:

9. CONCLUSION:

The AP ICET-2025 Free Coaching Programme organized by the Department of Mathematics, Government College (Autonomous), Rajahmundry, from 21st April 2025 to 05th May 2025, stands as a landmark initiative in the college's long tradition of academic excellence and student-centric practices. This programme exemplifies the college's unwavering commitment to democratizing access to quality education and enabling students from government institutions to compete on equal footing with their peers from private coaching-equipped institutions.

The programme, conducted over 15 working days with 45 structured sessions (3 sessions per day), successfully covered all major topics of the AP ICET-2025 syllabus, including Analytical Ability, Mathematical Ability, and Communication Ability. The involvement of experienced faculty from the Departments of Mathematics, English, and Statistics, along with the expert coaching provided by SREEDHAR'S CCE, ensured comprehensive and high-quality instruction.

The impact of this programme was clearly visible in the outstanding results achieved by students of Government College (A), Rajahmundry, in PGCET-2025, with multiple students securing state-level top ranks. The Alumni Association's Achievers' Day-2025 celebrations, held under the 'Sri Tanguturi Prakasam Pantulu Gari Awards' scheme, recognized and honored these achievers, further motivating future batches of students.

The programme received an overwhelmingly positive response from students, with an overall feedback rating of 4.71/5.00 (Excellent). The wide coverage by local Telugu dailies – Eenadu and Sakshi – amplified the outreach of this initiative, benefiting students beyond the college campus.

Key Achievements and Highlights:

- Free coaching provided with zero financial burden on students
- 45 coaching sessions conducted over 15 days
- Comprehensive coverage of ICET syllabus across all three sections
- Participation of experienced faculty from three departments
- Students achieved top state ranks in PGCET-2025 (6th, 7th, 8th ranks)
- Wide media coverage by Eenadu and Sakshi newspapers
- Overall student satisfaction rating: 4.71/5.00 (Excellent)
- Programme served as a Best Practice for NAAC/IQAC documentation

The Department of Mathematics proposes to continue this initiative in the coming academic years, further strengthening its impact and reach. It is also proposed to extend the programme to cover other competitive examinations such as GATE, CSIR-NET, and State Government recruitment tests, thereby broadening the scope of support provided to students.

In conclusion, the AP ICET-2025 Free Coaching Programme has been a resounding success and a true embodiment of Government College (A), Rajahmundry's motto of holistic education and inclusive academic development. The Department of Mathematics takes pride in this achievement and

GOVERNMENT COLLEGE (AUTONOMOUS), RAJAHMUNDRY
