

GOVERNMENT AUTONOMOUS COLLEGE, RAJAHMUNDRY

Report on National Statistics Day Guest Lecture

Date: 29 JUNE 2025

VENUE : ONLINE MODE THROUGH GOOGLE MEET

Organized by: Department of Statistics

Talk by: G CHAKRAVARTHI HOD, department of statistic P.B.Siddhartha college vijayawada HOD,

Introduction

A guest lecture was organized by the department of statistics on the occasion of National Statistics Day to create awareness about the importance of statistics in everyday life and national development. The program aimed to enhance students' understanding of statistical concepts and their practical applications.

Importance of National Statistics Day

The day is celebrated in honor of P. C. Mahalanobis, a pioneer in the field of statistics in India. The lecture highlighted the significance of statistics in policy-making, economic planning, and research. It also emphasized how statistical data plays a vital role in understanding and solving social and economic problems.

Key Outcomes

- Students gained knowledge about the applications of statistics in various fields.
- Awareness was created about data collection, analysis, and interpretation.
- Participants developed analytical and critical thinking skills.
- Students understood the importance of statistics in decision-making processes.
- The session encouraged students to explore statistical tools and techniques.

Conclusion

The guest lecture was informative and engaging. The speaker clearly explained the importance of statistics and its real-life applications. Students actively participated and clarified their doubts during the interactive session. Overall, the program was successful in enhancing awareness and knowledge about statistics.
