REPORT ON OPEN LAB DAY AND CHART EXHIBITION ON THE OCCASION OF NATIONAL SCIENCE DAY

Institution: Government Autonomous College [A], Rajahmundry

Title of the Activity: National Science Day

Date: 28-02-2026

Venue: Dr. B.R. Ambedkar Seminar Hall

Introduction:

On the occasion of National Science Day, Government Autonomous College [A], Rajahmundry organized an Open Lab Day along with a Chart Exhibition to promote scientific awareness among students. The event emphasized the importance of science in everyday life and encouraged students to develop a scientific attitude.

Objectives:

The main objectives of the program were to enhance students' interest in science, develop practical knowledge, and provide a platform for presenting innovative ideas and projects.

Event Description:

The Open Lab Day provided an opportunity for students to visit laboratories and observe experiments, which helped in bridging the gap between theory and practice. Faculty members guided students and explained scientific concepts through demonstrations.

The Chart Exhibition showcased a variety of topics related to science and statistics. Students actively participated by presenting creative and informative charts, demonstrating their analytical and presentation skills.

Student: M. Chandrika (22425928)

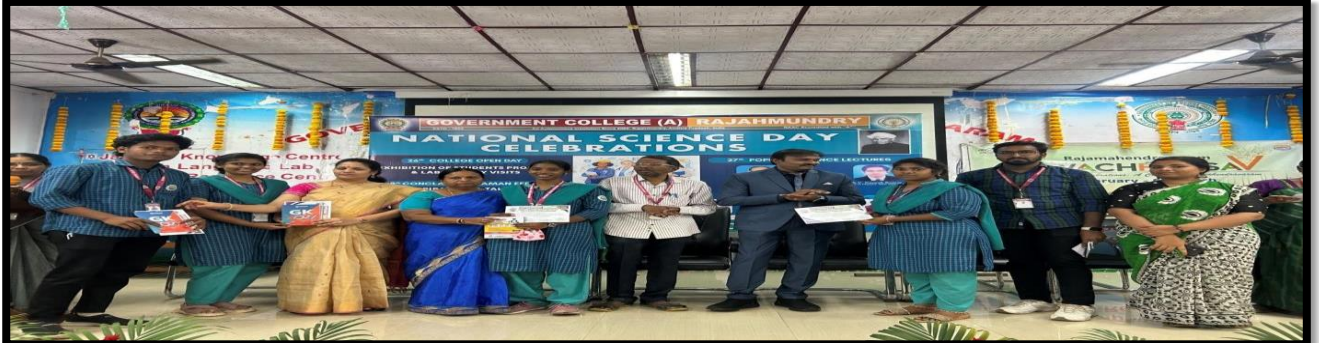

Group: II B.Sc Statistics (H)

Key Highlights:

- Active involvement of students in laboratory demonstrations and exhibitions.
- Innovative and well-presented charts covering diverse scientific topics.
- Practical exposure through experiments and real-time explanations.
- Promotion of analytical thinking, creativity, and teamwork.
- Recognition of outstanding projects and student efforts.

Conclusion:

The Open Lab Day and Chart Exhibition conducted on National Science Day was a grand success. The event provided an excellent platform for students to showcase their knowledge and creativity while enhancing their understanding of scientific concepts. It successfully promoted scientific awareness and motivated students to explore and innovate in the field of science.
