Agenda:

1. Update on new Computer Lab
2. Proposal for Air Conditioning Units in the new Computer Lab.
3. Special activities or Guest Lectures for newly Joined 1sem students.

Discussion

Agenda 1 :-Update on new Computer Lab

The Chairman Dr. D. Suneel Kumar provided an overview of new Computer Lab project undertaken in the last academic year. He Informed the department that the lab equipped with 101 systems, is nearly complete, with work stations and chairs already installed.

Agenda 2:- Proposal for Air Conditioning Units in the new Computer Lab.

The proposal to install 4 Air Conditioning units in the Computer Lab and one in attached server room was discussed. The need for proper climatic conditions was emphasized to ensure optimal operation of Computer systems and comfort to the students.

Agenda 3:- Special activities or Guest Lectures for newly Joined 1sem students

In charge of the department, Dr. D.Suneel Kumar informed to the staff members about the strength of the students admitted during first and second phases. He also enquired about the status of Deeksharambh program. The staff members responded one by one and detailed the status report. At this juncture the chairman stressed to organize special activities like Guest lectures on recent trends, Cyber security and Generative AI.

Resolutions:

1. The Committee resolved to approve for the procurement and installation of four Air Conditioning Units in the new Computer Lab and One Unit in the attached server room. It is resolved to commence the installation process as soon as possible to ensure the lab is fully operational for the upcoming Semester.
2. It is resolved to organize one Guest lecture in the month of September for 1st year admitted students.
