

Date:- 12-02-2026

1. Organization of science day celebrations :-

AGENDA :- To discuss the plan for conducting national science day celebrations in the college.

DISCUSSION :- The principal informed the faculty that national science day will be celebrated in the college with various academic and scientific activities to encourage scientific thinking among students. The celebration will include an open day, invited talk by an expert, & prize distribution for students projects / models.

RESOLUTION :- It was resolved that the college will organize science day celebrations from 26th to 28th February 2026 with active participation of all departments.

2. Open Day - 26 February 2026 :-

AGENDA :- To conduct an open day for displaying scientific models & projects.

DISCUSSION :- Faculty members discussed organizing an open day where students will present scientific models and innovative ideas. Each department will encourage students to prepare models & explain them to visitors.

RESOLUTION :- It was resolved that each department will present 4 scientific models, and these models will be displayed during the open day on 26 February 2026.

3. Invited Talk - 27 February 2026 :-

AGENDA :- To organize an invited lecture by a resource person.

DISCUSSION :- The committee discussed inviting an expert or academician to deliver a talk on the importance of science, innovation and research to motivate students.

RESOLUTION :- It was resolved that an invited talk will be conducted on 27 February 2026 and a suitable resource person will be invited for the session.

4. Prize Distribution - 28 February 2026 :-

AGENDA :- To distribute prizes to the best student models and presentations.

DISCUSSION :- The committee discussed awarding prizes to encourage student participation and innovation. The prize money was proposed as ₹ 5,000 for outstanding models and presentations.

RESOLUTION :- It was resolved that prizes worth ₹ 5,000 will be distributed to the best models & presentations during the prize distribution ceremony on 28 February 2026.

5. Budget Allocation for science models :-

AGENDA :- To allocate funds for preparation of science models by departments.

DISCUSSION :- Faculty members discussed providing financial

support for model preparation. It was proposed that ₹ 15,000 be allocated for four departments to prepare models and exhibits for the open day.

RESOLUTION:- It was resolved that ₹ 15,000 will be allocated for four departments to prepare & display scientific models during the science day celebrations.
