2. **T-Connect Program:** To initiate the T-Connect Program, promoting interactions between students and technology experts to introduce the latest technological advancements and trends.
3. **Technology Boot Camps:** To organize On Demand Technology Boot Camps, increasing students' technological awareness on topics such as programming, networking, DevOps, and mobile app development.
4. **Curriculum Development:** To collaborate on curriculum development that integrates current industry standards and practices, ensuring students receive relevant and up-to-date content.
5. **Internship and Project Opportunities:** To provide students with internship and real-world project opportunities at Tedlance IT Solutions or through its network, applying theoretical knowledge in practical settings.
6. **Faculty Development Programs:** To implement programs enhancing the College faculty's knowledge and teaching capabilities in line with technological advancements.
7. **Innovation Challenges and Hackathons:** To host technology innovation challenges and hackathons in collaboration with the College to foster creativity, problem-solving, and competitive collaboration among students.
8. **Mentorship Programs:** To establish a mentorship program with industry professionals providing students with technical skills, career advice, and personal development.
9. **Alumni Engagement:** To leverage the College's alumni network for sharing experiences, mentorship, and providing internship or employment opportunities.
10. **Success Stories and Feedback Loop:** To show case success stories from COTE initiatives and establish a feedback mechanism for continuous program improvement.

Roles and Responsibilities:

- **Tedlance** will provide industry expertise, mentors, facilitate connections with technology companies, support in organizing the T-Connect Program, Technology Boot Camps, and innovation challenges, and offer internship and project opportunities.
- **College** will provide infrastructure and resources necessary for COTE operation, coordinate faculty involvement for curriculum integration and development programs, facilitate student participation, and promote COTE initiatives.

Operational Processes:

Regular joint meetings will be held for planning and coordination, ensuring alignment with academic calendars and industry trends. Both parties will agree upon and document resource allocation, including financial, human, and physical resources necessary for COTE operation. A framework for monitoring progress and evaluating the impact of COTE activities will be established.

Governance Structure:

A Joint Steering Committee, comprising representatives from Tedlance and the College, will oversee the COTE's operation, making strategic decisions and resolving any issues that arise.

Duration:

This MOU is valid for 2Years from the date of signing, subject to renewal upon mutual agreement.

Amendment and Termination:

This MOU may be amended or terminated by mutual written consent of both parties.

Dispute Resolution:

Any disputes arising under this MOU will be resolved through mutual discussion and negotiation.

Costs and Financial Arrangements:

Tedlance IT Solutions commits to supporting the College through its Corporate Social Responsibility (CSR) initiatives by providing Consulting and Mentoring Services valued at 2 lakhs (INR 200,000) per annum at no cost to the College. This arrangement reflects Tedlance's dedication to promoting technology education and will be reviewed annually to ensure ongoing alignment with the objectives of both parties.

Signatures:
