Date: 08-09-2025

Sub : Collegiate Education – **New F-Map Mobile App** for Fee payments from AY 2025-26 – Certain instructions to all the Government Degree Colleges – Implementation – Regarding.

#

With reference to the subject cited above, the Commissionerate of Collegiate Education designed and developed a **New F-Map Mobile Application** to facilitate the payment of college fees online by all the students of Government Degree Colleges in the State from the Academic Year 2025-26.

All the Government Degree Colleges are already using a F-Map Mobile/ Web Application which was started from the AY 2022-23. Principals are also informed that the students can use the existing F-Map application (<https://apcceedu.ap.gov.in>) for paying pending fees of previous academic years i.e., from 2022-23, 2023-23 and 2024-25.

To improve the features like automating and integrating the scholarship amount credited to the colleges into fee account, the “**New F-Map Application**” is now being launched. The new mobile app can be downloaded from the trusted sources like Play Store for the Android mobile users.

The URL for New F-Map Application which is to be used from the current Academic Year 2025-2026 is available on **<https://apcceedu.ap.gov.in>**. Principals can find the application under the tile “**Fee Module**”.

Hence, all the Principals are instructed to utilize the New F-Map Mobile/ Web Application which will come into effect from the **AY 2025-26** and the fee payments by the students of 1st/2nd/3rd/4th year for the current Academic year are to be done strictly only through this new application.
