Declaration

I hereby declare that **Government College (Autonomous), Rajamahendravaram**, has **applied for institutional membership of the National Digital Library of India (NDLI)** to provide access to a wide range of digital academic resources for students, faculty members, and researchers.

The institution has initiated the necessary formalities and procedures to obtain membership, with the objective of strengthening digital learning facilities, promoting research-oriented study, and enhancing access to quality educational content.

This initiative reflects the institution's commitment to improving academic support services through digital platforms.
