### Declaration

I hereby declare that Government College (Autonomous), Rajamahendravaram has established an Innovation Laboratory (Innovation Incubation Hub) to promote creativity, innovation, research orientation, and experiential learning among students and faculty members.

The Innovation Laboratory is equipped with the necessary infrastructure and facilities to support idea development, experimentation, interdisciplinary learning, and innovative practices. It aligns with the institutional objectives of fostering innovation, entrepreneurship, and skill enhancement.

This initiative reflects the institution's commitment to strengthening the innovation ecosystem and encouraging a culture of research and problem-solving.
