Declaration

I hereby certify that Government College (Autonomous), Rajamahendravaram has installed a grid-connected solar rooftop system in the college premises as part of its commitment to renewable energy adoption, environmental sustainability, and green campus initiatives.

The solar rooftop system is connected to the electricity grid and is utilised to meet a portion of the institution's energy requirements, thereby reducing conventional energy consumption and promoting eco-friendly practices. The installation has been carried out in accordance with the applicable technical and safety standards.

This initiative supports the institution's efforts towards sustainable development and responsible resource management.
