### Declaration

I hereby declare that Government College (Autonomous), Rajamahendravaram actively encourages and motivates students to appear for the Graduate Aptitude Test in Engineering (GATE) as part of its academic enrichment and career advancement initiatives.

The college provides necessary guidance, academic support, awareness programs, and mentoring to students regarding the GATE examination, including information on eligibility, syllabus, career opportunities, and higher education prospects.

This initiative aims to promote academic excellence, research orientation, and preparedness for competitive examinations among students.
