### Declaration

I hereby declare that Government College (Autonomous), Rajamahendravaram actively encourages and motivates students to undertake internships and project works in the area of Indian Knowledge Systems (IKS) as part of their academic enrichment and experiential learning initiatives.

The institution provides academic guidance, mentoring, and institutional support to help students explore traditional knowledge systems, indigenous practices, cultural heritage, and interdisciplinary research under the framework of Indian Knowledge Systems. Students are encouraged to integrate IKS themes into internships, projects, field work, and research activities.

This initiative aims to promote holistic education, cultural understanding, research orientation, and innovation in alignment with national educational priorities.
