### Declaration

I hereby declare that Government College (Autonomous), Rajamahendravaram has implemented necessary measures for cyber security to ensure the safety, integrity, and confidentiality of digital data and IT resources.

The institution has taken appropriate steps such as secure network infrastructure, access controls, antivirus and firewall protection, regular data backups, password management practices, and awareness programmes on cyber safety for students and staff. Periodic monitoring and updates are carried out to prevent unauthorized access, data breaches, and cyber threats.
