### Declaration

I hereby declare that Government College (Autonomous), Rajamahendravaram has implemented the Skill India Mission in alignment with the objectives and guidelines of the Government of India.

The institution offers skill-oriented courses, training programmes, workshops, and capacity-building activities aimed at enhancing students' employability, vocational competencies, and practical skills. These initiatives are integrated with the academic framework and are periodically reviewed to ensure relevance to industry and societal needs.

The implementation of the Skill India Mission reflects the institution's commitment to empowering students with market-relevant skills and promoting workforce readiness.
