Declaration

I hereby declare that Government College (Autonomous), Rajamahendravaram has made available 35 Smart Classrooms across 23 academic departments to support ICT-enabled teaching and learning.

These smart classrooms are equipped with necessary digital teaching aids such as projectors, computers, audio-visual systems, and internet connectivity to facilitate interactive, technology-driven instruction. The facility is effectively utilized by faculty members to enhance classroom engagement and learning outcomes.

This initiative reflects the institution's commitment to strengthening digital infrastructure and innovative pedagogical practices.
