Declaration

I hereby declare that Government College (Autonomous), Rajamahendravaram is committed to implementing and promoting the concept of Lifelong Learning for all sections of society.

The institution undertakes academic, extension, and community-oriented initiatives aimed at encouraging continuous learning beyond formal education. Through outreach programmes, skill development activities, awareness sessions, and inclusive educational practices, the college supports learning opportunities for learners of all ages and backgrounds.

This initiative reflects the institution's vision of inclusive education, social responsibility, and continuous knowledge enhancement for societal development.
