ACTION TAKEN REPORT ON STAKEHOLDERS FEEDBACK 2024-25

1. Student Feedback Suggestions

S.No	Area	Suggestion	Nature of Issue	Priority
1	Curriculum	Integrate industry-relevant content	Gap between academia & industry	High
2	Teaching-Learning	Introduce case studies & practical exposure	Lack of applied learning	High
3	Skill Development	Conduct workshops with industry experts	Limited real-world interaction	High
4	Curriculum Design	Include project-based learning	Need for experiential learning	High
5	Internship	Strengthen internship programs	Employability enhancement	High
6	Participation	Improve feedback participation (especially B.Sc)	Low engagement	Medium
7	Digital Systems	Improve online feedback tools	Process efficiency	Medium
8	Faculty Role	Encourage faculty to motivate feedback participation	Engagement issue	Medium

2. Parent Feedback Suggestions

S.No	Area	Suggestion	Nature of Issue	Priority
1	Skill Development	Enhance employment/entrepreneurship skills	Moderate rating (3.65)	High
2	Internships	Increase field visits & practical exposure	Need more hands-on learning	High
3	Research	Improve research aptitude among students	Moderate rating	Medium
4	Results	Ensure timely announcement of results	Slight dissatisfaction	Medium

S.No	Area	Suggestion	Nature of Issue	Priority
5	ICT Usage	Strengthen ICT-enabled teaching	Improvement scope	Medium
6	General	Improve study skills (student responsibility)	General suggestion	Low

3. Alumni Feedback Suggestions

S.No	Area	Suggestion	Nature of Issue	Priority
1	Placements	Improve campus placement opportunities	Career outcomes	High
2	Internships	Strengthen internship exposure	Industry readiness	High
3	Career Guidance	Conduct career-oriented classes	Employability	High
4	Awareness	Organize awareness programs	Skill awareness	Medium
5	Administration	Timely issue of certificates	Administrative efficiency	Medium
6	Industry Linkage	Provide departmental placements	Placement structure	High
7	Engagement	Encourage student interaction	Soft skills development	Medium

4. Industrialists / Employers Suggestions

S.No	Area	Suggestion	Nature of Issue	Priority
1	Communication Skills	Improve student communication skills	Skill gap	High
2	Teamwork	Enhance teamwork through pedagogy	Mixed feedback	High
3	Industry Readiness	Improve adaptability to organizational culture	Internship effectiveness	High
4	Curriculum	Strengthen practical exposure	Applied knowledge gap	High
5	Soft Skills	Develop leadership & managerial skills further	Skill enhancement	Medium

5. Key Suggestion Themes

Theme	Key Focus
Curriculum Enhancement	Industry-oriented syllabus, practical learning
Skill Development	Communication, teamwork, leadership
Internship & Placement	Strengthen internships & placements
Teaching-Learning Improvements	ICT tools, project-based learning
Administrative Improvements	Results, certificates, feedback system

Action Taken Report

Theme	Key Focus	Action Taken Report
Curriculum Enhancement	Industry-oriented syllabus, practical learning	<ol style="list-style-type: none"> 1. Departments conducted Pre-BoS meeting with related industry for program. 2. Made revisions to the course content wherever necessary. 3. AI Course is introduced across all programs with practical hours. 4. Apprentice Embedded Programs at UG level are Prioritized. Event Management registered for AEDP. 5. MoU with Board of Apprenticeship Training entered. 6. Labs strengthened.
