FOREWORD

It gives me immense pleasure to present the January 2026 issue of our Institutional Activities Newsletter, which reflects the dynamic academic environment and vibrant campus life at Government College (A), Rajamahendravaram.

Our institution continues to strive for excellence in curricular activities, ensuring quality teaching–learning practices, academic planning, student seminars, assignments, and continuous evaluation. The dedication of our faculty and the active participation of students strengthen our academic foundation and uphold our commitment to higher education standards.

Alongside academics, a wide range of co-curricular activities were organized to promote holistic development. The celebration of the birth anniversary of Savitribai Phule emphasized women’s empowerment and social awareness. The three-day ‘Udbhav’ Student Festival (January 6–8) brought together culture, creativity, and youthful enthusiasm, providing a platform for students to showcase their talents in music, dance, literature, and traditional arts.

The 76th Republic Day celebrations on January 26 filled the campus with patriotic spirit, reinforcing constitutional values and civic responsibility. Additionally, the Road Safety Awareness Rally conducted on January 30 highlighted our institution’s commitment to community engagement and public service.

Our NCC, NSS, and Youth Red Cross (YRC) units played an active role throughout the month. NCC cadets demonstrated discipline and leadership during ceremonial parades and awareness programs. NSS volunteers participated in outreach activities promoting social responsibility, while YRC members contributed to service-oriented initiatives fostering compassion and humanitarian values. The celebration of National Youth Day further inspired students to embody the ideals of Swami Vivekananda, encouraging character building, service, and national development.

In the area of research and staff achievements, our faculty members continued to contribute to academic excellence through research publications, participation in seminars, workshops, and conferences. Their scholarly efforts and professional accomplishments bring recognition to the institution and inspire students to pursue higher academic goals.

These collective efforts in academics, research, extension, and student development reflect our holistic approach to education. I sincerely appreciate the dedication of our faculty, non-teaching staff, and students in making every program successful.

Let us continue to uphold the values of excellence, integrity, and service as we move forward.

With warm regards,

Ramachandra R.K

Principal

Government College (A), Rajahmundry

Birth anniversary celebrations of Savitribai Phule

At the Government College in Rajamahendravaram, a meeting was organized focusing on women educators' empowerment, progress, and overall development. Chairperson of the State Women's Commission, Dr. Rayapati Sailaja, delivered the keynote address.

In her speech, Dr. Rayapati Sailaja highlighted the invaluable role of women teachers in shaping society and nurturing future generations. She emphasized that the dedication and educational services rendered by women educators deserve due recognition and appreciation. She further stressed the importance of women being fully aware of their constitutional rights,

achieving economic self-reliance, and understanding laws related to the prevention of sexual harassment to safeguard their dignity and rights in the workplace.

The program witnessed the active participation of Prof. P. Vijaya Nirmala, Dr. Tulasi Mastanamma, WEC Coordinator Dr. P. Surekha, and all women faculty members of the college. The meeting concluded with a collective resolve to strengthen support systems for women educators and promote an environment of equality, safety, and professional growth.

INSTITUTIONAL ACTIVITIES

Grand celebration of 'Udbhav' at Govt Autonomous College 6-8 jan 2026

The three-day 'Udbhav' Student Festival was celebrated on a grand scale at the local Government Autonomous College (Arts College) from January 6 to 8. The festivities were officially inaugurated with the lighting of the lamp by RJD Dr. PV Krishnaji and the College Principal Dr. Ramachandra RK.

The first day of the fest was celebrated as 'Sankranti Sambaralu', reflecting the rich Telugu culture and traditions. The campus wore a festive look with Bhogi bonfires and 'Gangireddu' performances.

Over the three days, students enthusiastically showcased their talents through various cultural programs, traditional performances, music, dance, and other competitions, making the event vibrant and memorable

Grand celebration of 'Udbhav' at Govt Autonomous College

Rajamahendravaram: The three-day 'Udbhav' Student Festival began on a grand scale at the local Government Autonomous College (Arts College). The festivities officially inaugurated with the lighting of the lamp by RJD Dr PV Krishnaji and the College Principal Dr Ramachandra RK. The first day of the fest was celebrated as 'Sankranti Sambaralu', reflecting the rich Telugu culture and traditions. The campus wore a festive look with Bhogi bonfires and 'Gangireddu' performances

INSTITUTIONAL ACTIVITIES

A road safety awareness rally

Jan 30th 2026

A road safety awareness rally was organized under the auspices of the Rajamahendravaram Government Arts College. As part of the program, traffic police officials and NCC cadets conducted an awareness rally in the town.

The rally was flagged off by college authorities and police officials. Students carried placards displaying messages on road safety and traffic rules. They created awareness among motorists and the public about the importance of wearing helmets, following traffic regulations, and preventing road accidents.

Principal Dr. Ramachandra RK stated that road accidents can be reduced if people strictly follow traffic rules. He emphasized that everyone should develop responsible driving habits and ensure safety measures while on the road.

A large number of students, faculty members, NCC cadets, and police officials participated in the rally.

INSTITUTIONAL ACTIVITIES

Republic Day Celebrations

26 th January

The 76th Republic Day was celebrated with great pride and patriotic fervor on January 26 at our college campus. The program commenced with the hoisting of the National Flag by the Principal, Dr. Ramachandra RK, followed by the singing of the National Anthem.

In his address, the Principal highlighted the significance of the Constitution of India and emphasized the responsibilities of students as responsible citizens in strengthening democracy and upholding national values. He encouraged the youth to contribute actively towards nation-building through discipline, integrity, and service.

Faculty members also addressed the gathering, reflecting on the sacrifices of freedom fighters and the importance of unity in diversity. As part of the celebrations, students presented patriotic songs, speeches, and cultural performances that showcased their talent and love for the nation.

NCC cadets participated in the ceremonial parade and demonstrated discipline and commitment, adding grandeur to the occasion. The event witnessed enthusiastic participation from faculty, non-teaching staff, and students.

The program concluded with a vote of thanks and distribution of sweets, marking the celebration as a memorable and inspiring event for all.

CURRICULAR ACTIVITIES

CURRICULAR ACTIVITIES

DEPARTMENT OF COMMERCE

Date of Meeting: January 31, 2026

Venue: Commerce Block, Govt College(A), Rajahmundry.

Organized by: Smt. B. Sujatha, Proctor and Program Coordinator, II BBA (Logistics Management)

Guest Speaker: Dr. A. A. Annapurna, Lecturer in Commerce and IQAC Coordinator

Target Audience: Parents of II BBA (Logistics Management) students

Objective: To sensitize parents about the mandatory one-year apprenticeship period in the curriculum and its critical role in students' academic and professional growth.

Meeting Overview

The Parent-Teacher Meeting (PTM) held on January 31, 2026, focused on educating parents about the apprenticeship component integrated into the II BBA (Logistics Management) programme. Smt. B. Sujatha coordinated the event, highlighting how apprenticeships provide hands-on logistics experience, skill certification, and enhanced employability. The session addressed parental concerns while reinforcing the curriculum's industry-aligned structure.

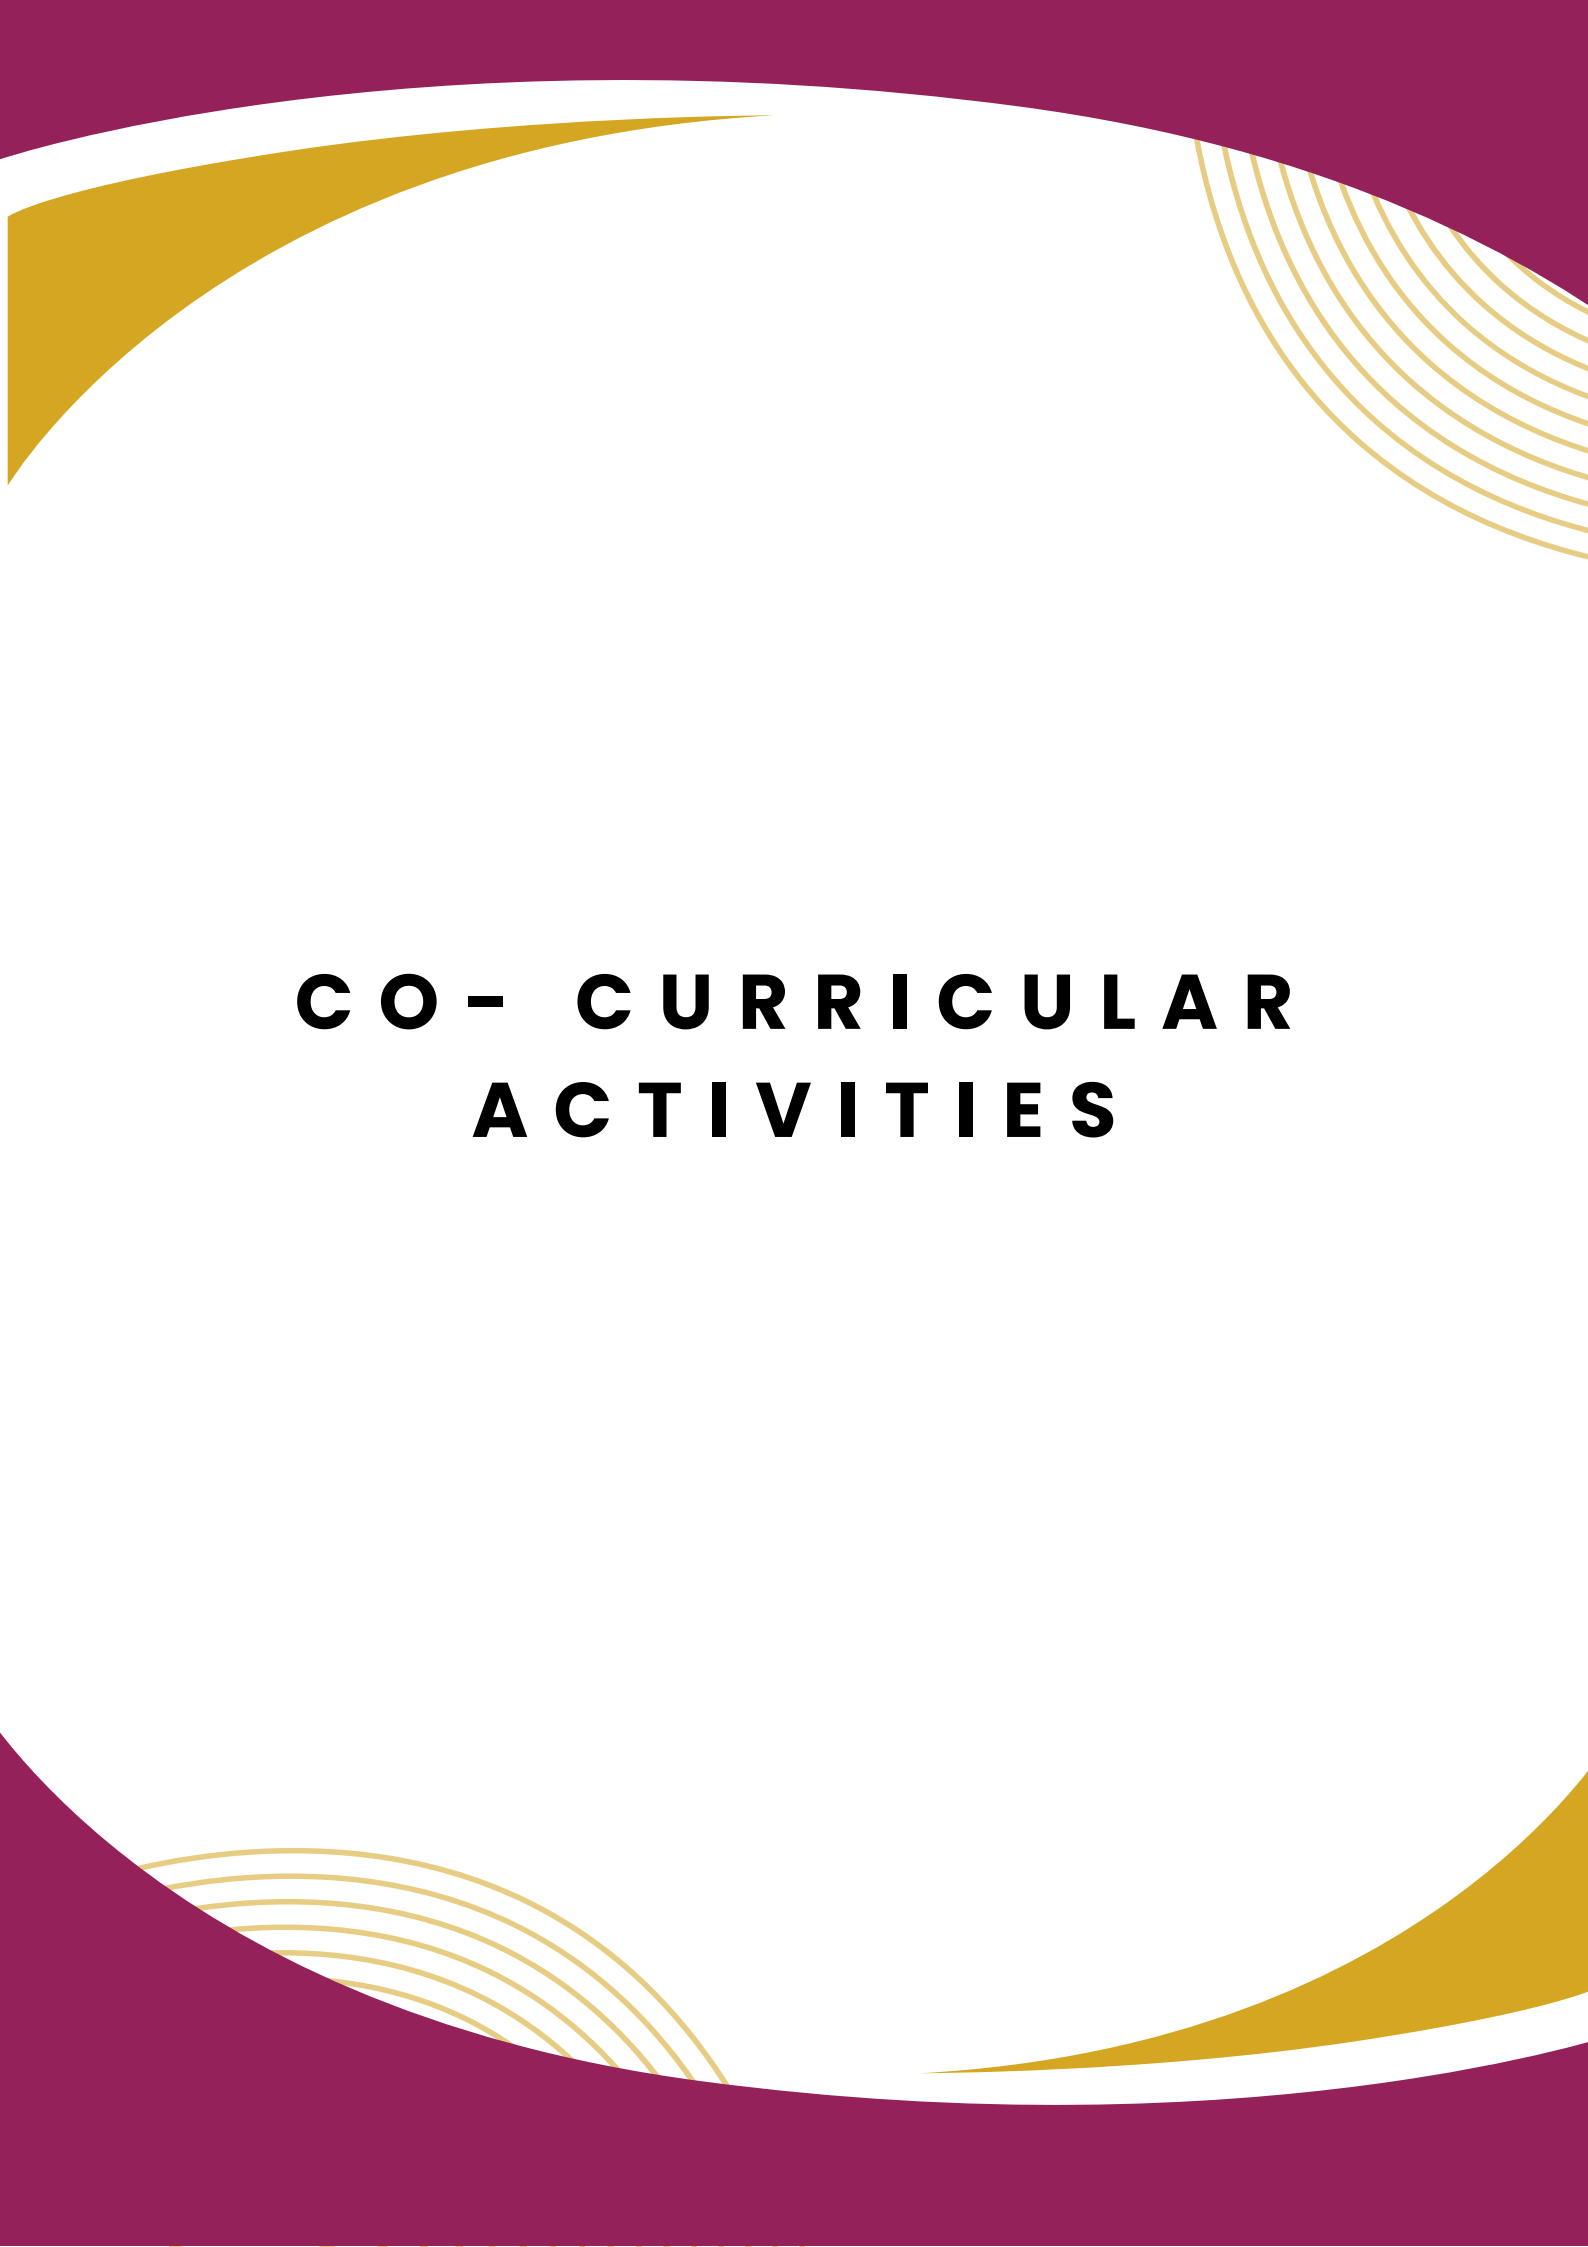

Key Highlights

Welcome and Context Setting: Smt. B. Sujatha commenced with an overview of academic progress, attendance, and the apprenticeship timeline, stressing its mandatory nature for degree completion.

Guest Speaker's Address: Dr. A. A. Annapurna delivered detailed instructions and guidelines on:

1. Apprenticeship application processes via the Logistics Sector Skill Council.
2. Benefits like stipends, certifications, and career pathways in logistics.
3. Parental support roles, including monitoring progress and ensuring compliance.
4. Potential challenges and mitigation strategies, such as balancing academics with training.

DEPARTMENT OF COMMERCE

Apprenticeship Sensitisation Programme Report

Date of Programme: January 20, 2026

Venue: Career Guidance Cell, Science block, Govt College(A), Rajahmundry.

Organized by: Smt. B. Sujatha, Program Coordinator, BBA (Logistics Management)

Resource Person: Dr. Jitendra Gowrabathini, Manager - Education Initiatives Division, Logistics Sector Skill Council

Target Audience: All II BBA (Logistics Management) students

Objective: To sensitize students on apprenticeship opportunities as part of the mandatory one-year apprenticeship period embedded in their curriculum.

The Apprenticeship Sensitisation Programme was conducted on January 20, 2026, to prepare II BBA (Logistics Management) students for their compulsory one-year apprenticeship. This initiative aligns with the curriculum's focus on practical industry exposure in logistics. Smt. B. Sujatha, the Program Coordinator, led the organization, inviting Dr. Jitendra Gowrabathini as the key resource person. The session aimed to bridge academic learning with real-world logistics sector skills, emphasizing the Logistics Sector Skill Council's role in apprenticeships.

Resource Person's Session: Dr. Jitendra Gowrabathini delivered an engaging talk covering:

1. Apprenticeship schemes under the Logistics Sector Skill Council.
2. Eligibility, application processes, and placement opportunities in logistics firms.
3. Skill requirements, such as supply chain management, warehousing, and regulatory compliance.
4. Success stories of past apprentices who secured full-time roles post-training.

Interactive Q&A: Students actively participated, raising queries on stipend structures, industry partners, and challenges in logistics apprenticeships.

Duration and Format: The event lasted approximately 2 hours, including a presentation, discussion, and handout distribution on application guidelines.

DEPARTMENT OF COMMERCE

International Extension Lecture on “Modern Logistics”

DATE: JANUARY 6TH, 2026

TIME: 11:00 AM – 12:00 PM

VENUE: FACULTY DEVELOPMENT ACADEMY

International Extension Lecture on “Modern Logistics ” delivered by Ms. Adidela Rajya Sudha, an expert engineer from JB Hunt Transport, Minnesota, USA, was a highly informative and professionally enriching experience for us. The session provided us with valuable global exposure to contemporary logistics and supply chain management practices followed in leading international organizations. Through practical examples, industry insights, and real-time case studies, the speaker explained how modern logistics integrates technology, data analytics, transportation systems, and operational planning to ensure efficient movement of goods and services. Students gained a clear understanding of the importance of logistics in business success, customer satisfaction, and organizational sustainability. The lecture helped students to realize how digital tools, automation, and intelligent transportation systems are transforming traditional logistics operations. The interactive nature of the session encouraged us to clarify our doubts and connect theoretical concepts with real-world applications. The session enhanced student awareness of global business standards and professional work culture. Overall, the seminar broadened our perspective, strengthened our practical knowledge, and inspired us to prepare ourselves for the evolving demands of the logistics and transportation sector with confidence, adaptability, and a strong commitment to professional excellence.

DEPARTMENT OF COMMERCE

INTERNATIONAL EXTENSION LECTURE AI FOR BUSINESS SPECIALIZATION

DATE: JANUARY 5TH, 2026

TIME: 11:00 AM – 1:00 PM

VENUE: FACULTY DEVELOPMENT ACADEMY

the International Extension Lecture on “AI for Business ” delivered by International expert Samuel Galla from Germany was an intellectually stimulating and future-oriented learning experience for us. From the outset, the session created a strong sense of curiosity and excitement as students were exposed to global perspectives on how artificial intelligence is transforming modern business practices. The lecture helped students to understand the growing importance of AI in areas such as decision-making, marketing, finance, operations, and strategic management. Through real-world business examples, global case studies, and practical explanations, the speaker clearly demonstrated how AI-driven tools and data analytics are reshaping organizations and creating competitive advantages.

THE WARRIOR'S TRAIL IN PURSUIT OF EXCELLENCE AND SUSTAINABILITY – TEAM BUILDING & INTERPERSONAL EFFECTIVENESS

DATE: JANUARY 22ND, 2026

TIME: 11:00 AM – 1:00 PM

VENUE: FACULTY DEVELOPMENT ACADEMY

International Extension Lecture on “The Warrior ’ s Trail in Pursuit of Excellence and Sustainability – Team Building & Interpersonal Effectiveness ” was a highly valuable and inspiring experience for us. From the beginning of the program, students felt motivated by the positive and professional environment created during the inauguration and opening session. The interactive lecture delivered by Dr. Nagi Reddy Kovvuri helped us clearly understand the importance of teamwork, leadership, effective communication, and emotional intelligence in both academic and corporate environments. Through real-life examples, motivational stories, and practical discussions, students were encouraged to reflect on our attitudes, work ethics, and interpersonal relationships. The session made students realize that success in the business and management field depends not only on technical knowledge but also on strong personal values, collaboration, and adaptability. The interaction session gave us the opportunity to share our views, clarify our doubts, and learn from real-life experiences, which further strengthened our confidence.

PAPER PUBLICATIONS

PAPER PUBLICATIONS

DEPARTMENT OF PHYSICS & ELECTRONICS

Dr. B. Durga Lakshmi, Assistant Professor, Department of Physics, Government College (Autonomous), Rajamahendravaram, has co-authored a significant research paper titled "Beyond the Atom: Emerging Paradigms in Nanoscale Materials Modeling" published in the prestigious journal of Physics D: Applied Physics (Volume 59, 2026).

The research focuses on advanced developments in nanoscale materials modeling, moving beyond traditional atomic-scale simulations. The study highlights the integration of Artificial Intelligence (AI), machine learning, and graph neural networks in accelerating materials discovery and predicting material properties under extreme conditions such as high temperatures and pressures.

Beyond the Atom: Emerging Paradigms in Nanoscale Materials Modeling

DOI: 10.33329/gjoe.14.51.72

Abstract

Nanoscale materials Modeling evolves beyond atomic-scale simulations toward multiscale, AI-driven paradigms that integrate quantum effects, machine learning surrogates, and real-time experimental feedback. High-throughput virtual laboratories screen billions of nanostructures, predicting properties like Curie temperatures above 400 K in 2D ferromagnets from 786 candidates. This review explores transitions from classical molecular dynamics (MD) and density functional theory (DFT) to graph neural networks (GNNs), active learning loops, and self-driving laboratories. Methodologies span CHARMM-GUI automation, ViNAS-Pro libraries, and nanoHUB protein-nanoparticle simulations. Discussions address challenges in disordered alloys, data scarcity, and nanotoxicity, highlighting opportunities in sustainable energy materials and biomedicine by 2026.

Keywords: multiscale modeling, AI-driven nanomaterials, high-throughput screening, graph neural networks, self-driving labs.

Introduction

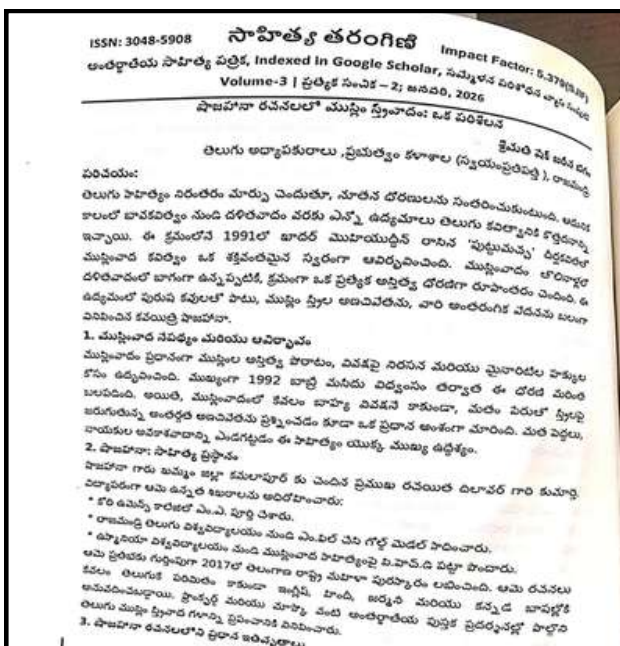

Traditional nanoscale modeling focuses on atomistic representations via DFT for electronic properties and MD for dynamics, limited by computational cost across vast design spaces. Emerging paradigms transcend this "beyond the atom" mindset, incorporating mesoscale effects, machine learning acceleration,

and autonomous workflows. GPU-accelerated docking achieves 330x speedups, screening billions of compounds daily, while platforms like Materials Project fuel hierarchical filtering for stability and toxicity.

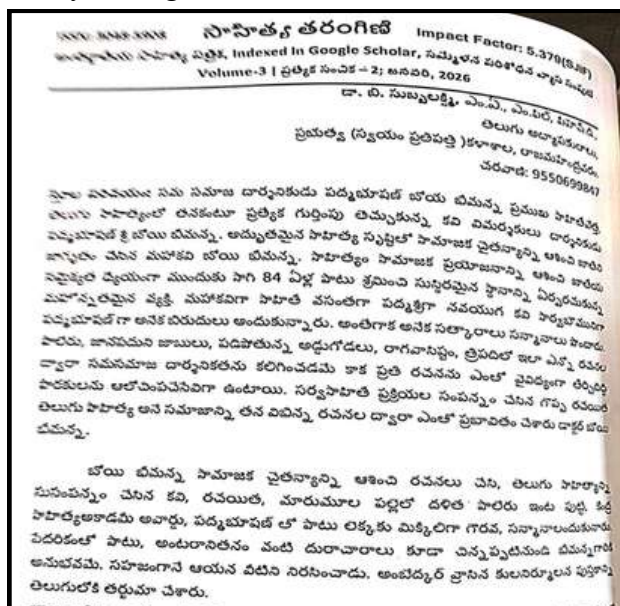

Key shifts include AI surrogates trained on DFT datasets predicting bandgaps with 11 meV/atom accuracy, as in GNoME's discovery

A significant research study titled “Spatiotemporal Dynamics and Multi-Factor Drivers of Land Surface Temperature in Andhra Pradesh, India (2020–2024): Integrating MODIS-Derived Indices, Urban Heat Islands, Hotspot Analysis and Trend Detection” has been published in the Journal of Geography, Environment and Earth Science International (Volume 30, Issue 1, 2026).

The research was authored by M.R. Goutham, Dr. Suneel Kumar Duvvuri, and Umamahesh Goud, representing the Department of Geology and the Department of Computer Science, Government College (Autonomous), Rajahmundry, Andhra Pradesh.

DEPARTMENT OF TELUGU

Smt.K.M Soundaryavathi lecturer in Telugu has written research Paper titled “shajahanaa rachanalalo muslim streevaadam-oka pariseelana.” With Sahityatarangini Patrika .

PAPER PUBLICATIONS

DEPARTMENT OF POLITICAL SCIENCE

The research article, titled “Social Media, Misinformation and Fear-Speech: Digital Networks and Political Polarisation in East Godavari District, Andhra Pradesh,” was authored by S. Farha Yasroon, Lecturer in Political Science at Government College (Autonomous), Rajahmundry. The study appears in Volume 6, Issue 4 (January 2026) of the journal.

According to the study, social media platforms have become a central arena for political communication in India, significantly reshaping how citizens access information, express opinions, and participate in democratic processes. While these platforms enable rapid dissemination of political content, they have also facilitated the large-scale spread of misinformation and fear-driven political narratives.

Farha Yasroon, Lecturer in Political Science at Government College (Autonomous), Rajahmundry, has published a research paper titled “Governance and Power-Sharing in the Era of Coalition Politics in Andhra Pradesh” in the International Journal of Advanced Research in Science, Communication and Technology (IJARSCT), Volume 6, Issue 4, January 2026.

BIZ CONNECT – Breaking Ice, Building Bonds through Experiential Learning

Date: 05 Jan2026

Venue: Room No- 85A- Career Guidance Cell, Science Block, Government College(A), Rajahmundry

Time: 2 to 5 pm

Objectives of the Practice: The primary objectives of BIZ CONNECT are:

1. To promote healthy and meaningful interaction between junior and senior students
2. To strengthen the understanding of management concepts through experiential and participative learning
3. To enhance communication, leadership, teamwork, and decision-making skills among students
4. To encourage peer learning and collaborative academic engagement
5. To prepare students for professional and corporate environments through practical exposure

BIZ CONNECT is an academic and interactive programme organised by the II BBA Honours students of the Department of Commerce and Management, Government College (Autonomous), Rajahmundry, under the guidance of Dr B Prathima, Convenor of Program, faculty and student coordinators. The programme is designed around the theme “Interaction through Experiential Learning”, where management concepts are taught using activity-based and funoriented methodologies. Senior students take responsibility for planning,

coordination, and execution, while junior students actively participate and learn through experience.

The programme includes structured activities such as:

- Blow and Pass – emphasizing teamwork, coordination, trust, and non-verbal communication
- Flour and Frenzy – focusing on planning, precision, resource management, and collective responsibility
- Blindfold Blitz – developing communication, leadership, decision-making, and time management under constraints
- Ramp Walk (Professional and Business Attire Showcase) – enhancing professional grooming, confidence, body language, and corporate etiquette

A total of 60 students participated in the programme. Faculty members acted as mentors and observers, providing guidance and feedback. The programme also included student performances, creating an engaging and inclusive learning environment.

Inauguration of 150 Years of Vande Mataram Memorial

Organised by the Department of Political Science

Government College (A), Rajahmundry

Date: Friday, 19th December

The Department of Political Science, Government College (A), Rajahmundry, successfully organized a historic and memorable programme on Friday, 19th December, marking the inauguration of the 150 Years of Vande Mataram Memorial. The programme stands as one of the most prestigious and significant occasions in the history of the Department of Political Science.

The memorial was inaugurated by Sri Nara Lokesh, Hon'ble Minister for Information Technology, Electronics, Communications, and Higher Education, Government of Andhra Pradesh. His presence added great dignity and importance to the event. The programme was conducted to commemorate the Vande Mataram Movement and to honour the legacy of Gadicherla Hari Sarvothama Rao, a distinguished freedom fighter and an illustrious alumnus of Government Arts College, Rajahmundry.

EXTENSION ACTIVITIES

DEPARTMENT OF PHYSICS & ELECTRONICS

As part of the “Joy of Giving” initiative as best practice, the Department of Physics, along with PG First Year students, organized a social outreach activity on 31st January 2026. The faculty and students visited Sri Gowthami Jeevakarunya Sangham, located at Pushkar Ghat, Rajahmundry, which is an orphan home catering to boy children below 15 years of age. Understanding the immediate and essential requirements of the children, the department and students collectively contributed funds and donated daily necessities such as detergents, soaps, oil, toothpaste, kesari, dal, and other essential groceries. The materials were handed over to the caretakers of the orphanage for the welfare of the children. The faculty and students spent quality time interacting with the children and the caretakers, understanding their living conditions, listening to their experiences, and expressing support and encouragement. The department members also discussed with the caretakers about the future needs of the orphanage and assured them of continued support through student-driven initiatives.

DEPARTMENT OF PHYSICAL EDUCATION

The Government Arts College (A) women's cross-country team in Rajamahendravaram won the championship in the inter-collegiate cross-country (10 km) competition held yesterday at Nannaya University. This was announced by Principal Ramachandra Rao. A student named Manikanta, who is studying IBBA, has been selected to represent the university team in the inter-university games to be held in Rohtak, Haryana, in February. In-charge Physical Director M. Prasad and Physical Directors P.V.V. Lakshmi and T. Vijay praised the students' talent and perseverance.

National Armed Forces Flag Day Celebration (December 7 2025)

The National Armed Forces Flag Day was observed in Government College (Autonomous), Rajahmundry, under the aegis of the NCC Unit with due respect and patriotic fervour. The programme was conducted in the presence of the Principal, faculty members, NCC officers, cadets, and students.

The programme began with the hoisting of the National Flag by the Principal, followed by the hoisting of the NCC Flag. The gathering paid tribute to the brave personnel of the Armed Forces who safeguard the nation's unity and integrity.

On this occasion, the Principal addressed the gathering and explained the significance of National Armed Forces Flag Day, which is observed every year on December 7 to honour the soldiers, sailors, and airmen of the Armed Forces. The day is dedicated to recognising the sacrifices made by the armed forces and to expressing solidarity with serving personnel, ex-servicemen, and the families of martyrs. He highlighted that contributions made on this day are utilised for the welfare and rehabilitation of ex-servicemen, war widows, and their dependents through the Army Welfare Fund.

The Principal urged the faculty members and students to donate generously to the District Army Welfare Association as a token of gratitude towards the Armed Forces. Faculty members and students came forward and contributed voluntarily for this noble cause.

The programme concluded with a vote of thanks by the NCC Officer, expressing gratitude to the Principal, staff, and students for their participation and support in making the event meaningful and successful at Government College (A), Rajahmundry.

Mega Tree Plantation Programme

A Mega Tree Plantation Programme was organized on December 22, 2025, with the aim of promoting environmental awareness and increasing green cover. The programme was conducted by the Department of Botany of Government College (Autonomous), Rajahmundry, in collaboration with NCC, NSS, and YRC, in association with the Forest Department & Lions Club International. The event was part of a large-scale initiative of planting one lakh (100,000) saplings.

The Principal, faculty members, NCC cadets, NSS volunteers, YRC members, and students actively participated in the programme along with district officials from the Forest Department. On this occasion, each student was provided with one sapling and was encouraged to plant it in a suitable available place and take responsibility for its growth and protection.

The NCC cadets enthusiastically took part in the plantation drive by collecting the saplings and participating in the planting activity. The programme aimed not only at planting trees but also at creating a sense of responsibility among students towards environmental conservation.

In his address, the Principal highlighted the importance of tree plantation in maintaining ecological balance and emphasized the necessity of increasing green cover to face global climatic challenges. He encouraged students to nurture the saplings and contribute to a greener and healthier environment.

The programme concluded with active participation from all stakeholders, making the mega plantation drive a meaningful step toward environmental sustainability in Rajahmundry.

EXTENSION ACTIVITIES

National Youth Week Celebrations (January , 2026)

The NCC Wing of Government College (Autonomous), Rajahmundry, in association with NSS and YRC, celebrated National Youth Week from January 5th to January 12th with great enthusiasm and active participation from students. The week-long programme was organized to commemorate the birth anniversary of Swami Vivekananda, whose teachings continue to inspire the youth of the nation.

During the week-long celebrations, various competitions such as singing, dancing, painting, and other cultural activities were conducted for students under the guidance of the NCC Wing. NCC cadets actively participated in all the events and showcased their talents with great enthusiasm.

As part of the celebrations, an Anti-Drug Awareness Programme was organized in association with the District Legal Services Authority (DLSA) to educate students about the harmful effects of drug abuse and the importance of leading a disciplined and healthy life.

The valedictory function was held at the end of the week, during which NCC cadets presented special dance and singing performances that were thought-provoking and highlighted their skills and creativity. The performances conveyed meaningful social messages, particularly emphasizing the need to stay away from drugs and harmful habits.

In his address, the Principal advised the students and cadets to stay away from drugs and focus on their goals with discipline and determination. The Chief Guest, Smt. N. Srilakshmi, Secretary and Senior Civil Judge of the East Godavari District

Legal Services Authority (DLSA), emphasized that youth are the strength of the nation and should avoid harmful activities such as drug abuse. She encouraged students to follow the ideals and teachings of Swami Vivekananda and become responsible citizens. NCC Officers, cadets, NSS volunteers, YRC members, and other students actively participated in the programme, making the week-long National Youth Week celebrations a grand success at Government College (A), Rajahmundry.

EXTENSION ACTIVITIES

REPUBLIC DAY CELEBRATIONS – 2026

The 77th Republic Day was celebrated with great patriotism and enthusiasm on January 26, 2026, at Government College (Autonomous), Rajahmundry. The programme was organized with the active participation of NCC cadets, NSS volunteers, YRC members, faculty, and students.

The celebrations began with the hoisting of the National Flag by the Principal, followed by the singing of the National Anthem. The NCC cadets presented a ceremonial salute to the National Flag as a mark of respect and honour to the nation.

After the flag hoisting, the Principal addressed the gathering and explained the importance of Republic Day, which marks the adoption of the Constitution of India and reflects the democratic values and unity of the nation. He encouraged the students to become responsible citizens and contribute to the progress of the country through discipline and dedication.

Along with the college celebrations, NCC cadets of the college also participated in the District Level Republic Day Parade held in Rajahmundry. The NCC contingent performed the march past with great discipline and coordination and secured Second Place in the marching contingent competition. The cadets were highly appreciated for their performance by the District Collector and the Superintendent of Police.

The celebrations concluded with patriotic enthusiasm, and the participation and achievements of the NCC cadets brought pride and recognition to the institution. Faculty members, NCC Officers, cadets, and students actively participated in the programme, making the Republic Day celebrations a grand success.

EXTENSION ACTIVITIES

Participation of NCC Cadet in Republic Day Camp – 2026

Junior Under Officer I. Vinay Kumar of III B.Sc. Electronics participated in the prestigious Republic Day Camp (RDC) – 2026, representing 18 (A) Battalion, NCC. He was the only cadet selected from East Godavari District for this honour, bringing pride to the college and the NCC unit.

Cadet Vinay Kumar underwent rigorous training and attended nearly ten preparatory camps, including ATC, CATC, IGC RDC, and Pre-RDC Camps (I, II, and III), in order to qualify for the Republic Day Camp. His dedication, discipline, and consistent effort helped him achieve this remarkable milestone.

During the camp, he represented the Andhra Pradesh and Telangana contingent and had the opportunity to interact with senior Armed Forces officers and Union Ministers, which greatly inspired and motivated him. He also had the honour of serving as the Contingent Commander for the Andhra Pradesh and Telangana

contingent during the prestigious Prime Minister's Rally, demonstrating his leadership qualities and commitment.

His achievement is highly appreciable and serves as a great source of inspiration for other NCC cadets. The NCC unit and the college take immense pride in his success and commend his hard work and dedication.

J.U.O I. Vinay Kumar with the NCC Officials & A.N.O Captain Dr. Esub Basha Shaik

Thank you
