### 3-Day Residential Master Trainers Training Program on Creative e-Content Generation

A 3-day training program on ‘Generation of Creative e-Content’ for faculty of various degree colleges across the AP State was conducted at Government College (A), Rajahmundry under the guidance of the Commissionerate of Collegiate Education (CCE) from 16<sup>th</sup> to 18<sup>th</sup> May, 2024. The program aims to enhance teaching methodologies through innovative e-content generation methods. The initiative is set to revolutionise pedagogy by infusing technical expertise to captivate student interest and ensure the dissemination of quality education. 86 participants from across the state attended.

Commissioner of Collegiate Education Dr. Pola Bhaskar inaugurated the program and on the occasion, he emphasised the importance of integrating technological advancements into education to make the activity of learning more engaging and accessible. He also highlighted the significance of creating quality e-content to cater to the diverse needs of students and underscored the role of faculty members in fostering a conducive learning environment with the insights they would gain in the program.

Addressing the gathering, Principal Dr. Ramachandra RK acknowledged the efforts of the CCE in organising various innovative programs aimed at enhancing the quality of education. Dr. Ch. Krishna, JD, Dr. S. Shobha Rani, RJD, Dr. Ch. Tulasi, AGO, Dr. K. Kavitha, IT Coordinator, Dr. J. Jyoti LMS Coordinator, all from APCCE and Dr. N. Srinivas, FDA coordinator, GC(A), RJY attended. Sri B. Venkata Rao, Lecturer in Chemistry & LMS coordinator coordinated the mega event.

## Three-day training prog for lecturers commences

### EXPRESS NEWS SERVICE

@ Rajamahendravaram

UNDER the guidance of the Commissionerate of Collegiate Education (CCE), a training programme on 'Generation of Creative E-Content' for faculty of various degree colleges across the State commenced at Rajamahendravaram Government College on Thursday.

Commissioner of Collegiate Education Dr Pola Bhaskar inaugurated the programme and on the occasion, he emphasised the importance of integrating technological advancements into education to make the activity of learning more engaging and accessible.

Dr Pola Bhaskar highlighted the significance of creating quality e-content to cater to the

diverse needs of students and underscored the role of faculty members in fostering a conducive learning environment with the insights they would gain in the programme.

The three-day training programme, which concludes on May 18, aims to enhance teaching methodologies through innovative e-content generation methods. The initiative is set to revolutionise pedagogy by infusing technical expertise to captivate student interest and ensure the dissemination of quality education.

Addressing the gathering, Government College principal Dr Ramachandra RK acknowledged the efforts of the CCE in organising various innovative programmes aimed at enhancing the quality of education.
