District level 5k - Marathon

The Red Ribbon Club of Government College (Autonomous), Rajahmundry, in collaboration with the District AIDS Prevention and Control Unit, organized the *Red Run - 5K Marathon* to raise awareness about HIV/AIDS prevention and promote a healthy lifestyle among the community.

The event saw enthusiastic 154 participations from students, faculty, and local residents, all united under the theme of health and social responsibility. The marathon aimed to spread awareness about the importance of safe practices, regular health check-ups, and reducing stigma associated with HIV/AIDS.

The initiative successfully highlighted the role of youth in advocating for a healthier and more informed society. The Red Run not only served its awareness goals but also encouraged fitness and community engagement, leaving a lasting impact on the participants and spectators alike.

Highlights

Here this event was conducted for Men, Women & Transgenders with the age group of 17-25 years from Y-Junction to Iskon temple separately. This program was launched by Sri. J. Chinna Ramudu, Joint Collector of East Godavari dt. We have taken assistance from the Police, Municipal corporation and Physical Directors to run Smoothly. Dr. T. Vasundara, DTCO well-Coordinated this entire program with great coordination among us. Our College Students got Second Prize in Men & Women Category (Y. Kousalya & Ch. Pradeep). Principal Dr. Ramachandra R.K. appreciated them for their strenuous efforts. After the Presentation ceremony tiffins were provided by the DAPSCU, East Godavari. Finally, Our Students are brought back to the starting point by AUTO.

marathon

Kousalya & Pradeep Winners

Our next area of focus

District level Winners have to participate in State Level Marathon Competitions at Vijayawada under the APSACS.

The *Red Run - 5K Marathon* successfully blended fitness with social responsibility, leaving a lasting impact on the participants and the community. Such events reinforce the critical message of awareness, empathy, and action, making society more inclusive and health-conscious. Seven out of 10 members participated in the state level Red Run in which they got 11th, 18th and 43rd places.
