3	No of Volunteers participated	150
4	No. of Other Participants	50
5	Brief Note about activity	the cleaning activities, the students also participated in a plantation

A “Clean and Green Programme” was successfully organized by the NSS Units of Government College (A), Rajahmundry on 29th January 2026. The programme witnessed enthusiastic participation from all NSS volunteers, who actively contributed towards maintaining cleanliness and promoting environmental awareness within the college campus.

As part of the initiative, the NSS students undertook a comprehensive cleaning drive across various parts of the college premises. The areas covered included the Arts Block, Science Block, and the college ground. The volunteers worked with great dedication to remove waste, clean surroundings, and enhance the overall hygiene of the campus.

In addition to the cleaning activities, the students also participated in a plantation drive. Various flower plants and shade-giving saplings were planted near the Buddha Bhavan area, aiming to create a greener and healthier environment for the future. This initiative not only added to the aesthetic beauty of the campus but also contributed to environmental sustainability.

A special highlight of the programme was the utilization of a newly purchased grass-cutting machine. This equipment was effectively used to clear overgrown grass around the Buddha Bhavan premises, making the area cleaner and more accessible.

The entire programme was conducted under the able guidance of NSS Coordinator **K. Subhasani Garu**. The NSS Programme Officers, including **Bhavani Garu, Pavan Garu, and Dr. Murali Krishna P.**, played a vital role in organizing and executing the event smoothly. Their leadership and support ensured the successful completion of all activities.

Overall, the Clean and Green Programme was a great success. It instilled a sense of responsibility among the students towards environmental protection and cleanliness. The active participation and teamwork displayed by the NSS volunteers made the event impactful and meaningful.

NSS Students with NSS coordinator K. Subhashini Devoji participated actively in the Clean and Green Programmee

NSS Students with NSS PO Dr. Murali Krishna and Mr. H S N V S Pavan Kumar participated actively in the Clean and Green Programmee
