4	No. of Other Participants	65
5	Brief Note about activity	CONDUCTED ESSAY WRITING AND ELOCUTION COMPETITIONS

Vigilance awareness week was observed in Government College (A)-Rajahmundry with the collaboration of NSS of our college and ONGC, Rajahmundry.

India commenced its observance of Vigilance Awareness Week 2025 from 27 October, rallying citizens and public institutions around the theme: “Vigilance – Our Shared Responsibility.” Celebrated annually in the last week of October to commemorate the birth anniversary of Sardar Vallabhbhai Patel (31 October), this initiative aims to foster greater public awareness about the importance of integrity, accountability, and ethical conduct in public life.

The campaign serves as a nationwide call to action to fight corruption and reinforce transparent governance, with active participation from ministries, departments, public sector units (PSUs), banks, schools, and civil society.

Thematic Focus: Vigilance as a Collective Duty

The 2025 theme, “**Vigilance – Our Shared Responsibility**,” emphasizes that the fight against corruption and unethical practices is not the burden of a single agency but a collective societal duty. It seeks to empower individuals across all levels—government officials, corporate employees, students, and citizens—to recognize their role in ensuring clean and responsible governance.

By invoking shared responsibility, the theme aligns with the growing recognition that systemic reforms and social vigilance must go hand-in-hand to create lasting change.

Conducted various competitions like Essay writing, Elocution and Poster presentations to the students and prizes were distributed by ONGC Rajahmundry to the winners.
