Date: 13th March 2026

Introduction:

The National Service Scheme (NSS) unit of Government College (Autonomous), Rajahmundry organized a Campus Cleaning Programme on 13th March 2026. The programme was conducted with the objective of promoting cleanliness, hygiene, and environmental awareness among students.

Cleanliness is an essential aspect of a healthy and sustainable environment. This initiative aimed to instill a sense of responsibility among students towards maintaining a clean campus.

Objectives of the Programme:

- To create awareness about cleanliness and hygiene
- To encourage students to maintain a clean environment
- To promote the spirit of social responsibility
- To develop teamwork and leadership skills among NSS volunteers
- To support the vision of a clean and green campus

Planning and Organization:

The programme was well planned by the NSS Programme Officers with the support of faculty members. Prior to the event:

- NSS volunteers were briefed about the importance of cleanliness
- Cleaning materials such as brooms, gloves, and dustbins were arranged
- Areas within the campus were identified and allocated to different groups
- Instructions were given regarding safety and waste disposal

Conduct of the Programme:

The programme commenced with an introductory session highlighting the importance of cleanliness.

Activities carried out included:

- Sweeping open areas
- Cleaning the college premises and surroundings

Collection and proper disposal of waste materials

Removal of plastic waste and other debris

Awareness interaction among students about maintaining cleanliness

NSS volunteers actively participated with enthusiasm and dedication.

Participation:

NSS Coordinator Smt. K Subhashini Devi, NSS Programme Officers Dr. B Bhavani, ZDr. P Murali Krishna, Sri. H Sriram Pavan and Faculty members supervised and guided the activities. A total of 100 NSS volunteers from 5 units took part in the programme. The collective effort ensured effective cleaning of the campus.

Role of NSS Volunteers:

NSS volunteers played a key role in:

Organizing and executing the cleaning activities

Creating awareness among peers

Ensuring proper waste segregation and disposal

Maintaining discipline and teamwork

Their commitment contributed significantly to the success of the programme.

Outcomes of the Programme:

The programme resulted in:

Improved cleanliness of the campus

Increased awareness about hygiene practices

Development of a sense of responsibility among students

Encouragement of eco-friendly habits

Strengthening of teamwork and cooperation

Conclusion:

The Campus Cleaning Programme conducted by NSS on 13th March 2026 was a great success. It not only improved the cleanliness of the college campus but also instilled values of responsibility and environmental awareness among students.

The programme reflected the true spirit of NSS — “Not Me But You.”
